Poerner a 'top runner'

State Representative John H. Poerner of Hondo is a top runner in the race for the Congressional seat in the 21st Congressional District.

The position is being left vacant by the decision of Congressman O. C. Fisher not to run again and this marks the first time a Hondoan has sought this high post.

Eleven candidates are seeking the spot on the ticket, being divided to: six Democrats, four Republicans, one American party.

The race for the Democratic nomination appears to be a tight one among Poerner, Nelson Wolff of San Antonio and Bob Krueger of New Braunfels. Others will pull some votes in the election but these three candidates will be ighting for a run-off spot.

Over the district opinions would place Poerner and Wolff in the runoffs, with Krueger giving them a hard battle.

Other Democrats include: Judge Allen Moore of Rankin, Patrick Ainsworth of Kingsland and Joe Sullivan of San Antonio. Ed Gallion of Crane represents the American Party.

Seeking the Republican nomination are Doug Harlan, Van Archer, Bobby Locke and Dr. Simon Garza. Pollsters and officials throughout the district give Harlan the edge, with a possibility of winning the nomination without a runoff.

The two winners in each party (unless one wins it all) will battle each other in the runoff on June 8.

FORMER GOVERNOR COKE STEVENSON. . .wished John Poerner "the best of luck" in the upcoming primary race for Congress when the Hondo legislator visited Stevenson in his Junction office.

Universal Rundle to begin expansion

Awarding of a construction contract for an approximately 45 per cent expansion of the Hondo plant was announced this week by Wally Porter, general manager of the Universal-Rundle Hondo plant.

The $1,558,000 contract went to Walter Droemer, general contractor of Giddings, Texas. Construction will probably begin within a month, according to contractor spokesmen.

"The construction," said Porter, "will include a new kiln and a new building which will contain 150,000 square feet of space. This should mark about a 45 per cent expansion of our Hondo facilities."

NOTHING CAN BE BETTER

. . . for the Hondo area than the story about Universal-Rundle letting a contract for about a 45 per cent expansion of the Hondo plant.

Wally Porter and his company have provided a terrific economic boost to this area for many years now, and we are thankful that company officials have the faith in the local area to not only maintain their plant facilities here but to expand them.

RURAL SURVIVAL

. . . certainly is a vital key in the national elections anytime. But today the question takes on a more personal importance when we think about voting in the 21st Congressional District race on Saturday.

Rural influence in the halls of Congress has eroded over the years as more and more urban representatives have been elected and consequently rural America has deterioted. Today that influence [rural] is desperately fighting to maintain such important legislation as the Highway Trust Fund, the Rural Development Act, the support of soil and water conservation, a stable agricultural program.

That is why I have preached [unordained of course] all over the 21st District the importance of electing John Poerner to Congress. He is keenly aware of the rural problems, as well as being able to assist in urban problems.

Neither of his major opponents have that awareness nor the desire to follow through on the programs to help rural America.

Wolff's philosophy is definitely shaded to the urban side [he terms himself as urban-rural minded] and his efforts would be expended solving problems for downtown San Antonio, while the rest of the 31 counties dry up and blow away. And downtown San Antonio is not in the 21st District. They have an extremely able representative in Congressman Henry B. Gonzalez.

Krueger says he understands the problems of the small town, rural farmer, rancher, businessman. How in the world can he understand them when he hasn't even seen fit to live in Texas, much less the district for the past 18 years or more? His interest was to study and travel abroad and then teach in east coast universities. Certainly, that does not give him even a remote way of knowing and understanding the problems of Hondo and Medina County as well as all the other rural counties in this district. He tells everyone he is a conservative yet a story in the Express-News reveals he is tied in strong with the San Antonio liberal faction of Pena and Bernal. How can be be both?

In fact, Krueger said on Channel 9 television two weeks ago that the problems in Washington were mostly international and national and most of them did not really affect the district. Therefore, he did not believe the district needed a provincial candidate. And at the same time he said New Braunfels was really not rural. "We are really a part of San Antonio," he told his audience.

First, I resent being called a hick because I have lived my life in rural America. And secondly, if Krueger feels his hometown of New Braunfels is part of San Antonio, then he would feel the same about Hondo. And that just isn't so. We all are separate towns and have problems of our own that cannot be solved by the leftover crumbs off San Antonio's table.

Therefore, in my humble belief John Poerner is the only man in the race who can represent all of the district in a manner it should be represented.

I would hope that all voters in this county [the portion which lies in the 21st District] would feel the same, for we can certainly help him win this race in a big way by showing the "home county folks" are behind him.

'Cat burglar' believed caught

A 20-year old Hondo man has been jailed in connection with a string of burglaries in Hondo attributed to a "cat burglar", who noiselessly entered Hondo homes late at night and often escaped his pursuing victims on foot.

Jose J. Santillano was arrested at his home at 6:30 p.m. Tuesday.

After undergoing questioning, he reportedly signed a statement admitting to 14 burglaries in Hondo between January 11 and April 23. He was charged with one count of burglary before Justice of the Peace Harold Herring. Additional cases were pending at press time Wedesday.

He is alleged to have committed an additional 15 to 20 burglaries in Abilene while he lived there.

Santillano's bond for one case was set at $10,000 by Justice of the Peace Harold F. Herring. He is presently housed in Medina County Jail in lieu of bond.

Hondo Police Chief Jim Shofner said Santillano's arrest came about after certain stolen materials were allegedly traced to him. He reported that additional stolen items were found in the home.

Another One

But the story of midnight break-ins doesn't end with one suspect.

One break-in at the home of Larry Oefinger last weekend, plus a series of instances of someone beating on the walls of homes late at night, have been attributed to a different suspect. Police urge all Hondoans to report any disturbance as quickly as possible.

Museum Day is here!

The Day of Days for Medina County folks has rolled around again. Museum Days, May 4 and 5, will hold special excitement for area residents out at the City Park north of Hondo.

In case of inclement weather (which seemed a distant threat until just this week), the whole thing will be packed up and moved to the National Guard Armory where it has been held in years past.

The focal point of the whole celebration, the Medina County Museum itself, will be receiving visitors from 8:30 a.m. to 6 p.m. Saturday, and from 2-6 p.m. Sunday. Hostesses will be the Hondo Garden Club. Come out and see what's new at the old depot.

The Celebration will get underway Saturday morning promptly at 11 a.m. with a rousing band concert by the Hondo Owl Band. Director Billy Harrell and his charges should put everyone in a spirit of gaiety for the two days ahead.

This is a good time to remind everyone that if you would like to sell something, and need a booth to sell it out of, come out to the City Park tomorrow (Friday) afternoon and set one up. Or, you can contact Mrs. Bruno Schweers. She has a layout map for the celebration.

Among the entertainment attractions this year on Museum Day will be the Hermann Sons School of Dancing, which will perform around 2:30 p.m. Saturday.

Bread Contest

Everything you knead to know, just ask Pop and Mom (Mr. and Mrs. F. H.) Hollmig, who are in charge of the Homemade Bread Baking Contest

Chili Cook-Off

A hot time for everybody with asbestos-coated tongues is being predicted by Judy (Schuehle) Schumann, who is chairman of the event. Enthusiasm is running with chili-bated breath over who will be champion this year. If you want to try your skill, contact Judy for details and get ready for the pre-Museum Day party May 3.

Booths, Games

On the grounds, under the spreading Live-Oak trees, you might even find a village blacksmith--if a volunteer smithy can be found. You'll also find clowns, a fortune teller, fish pond, darts, pony rides and other attention getters.

There will be sandwiches, hot dogs, chili pies, cupcakes, homemade candies, ice cream and soft drink booths.

At 5:30 p.m. a barbecued chicken meal will be served and there will be plates to go. Tickets at $2.00 each are now on sale. The voice of the experienced in the meal is, "Get your tickets and line up early before the last drumstick is gone!"

Bunuelos will be made, fresh, and sold on the grounds. In charge of this booth will be Mrs. Ralph Tapia and her corps of assistants. Eating a bunuelo, a very crisp sweet cake that is a part of every Mexican fiesta, will make a sleight-of-hand artist out of you, and an addict for life.

Square Dancers

At some time during the day, square dancing will be featured by the popular Country Squares, stepping to the caller's routine. This contribution to the day's festivities always draws a big crowd.

Art Show

Talented artists from the areas surrounding Medina County will display attractive offerings. Mrs. Alton (Betty) Haile is in charge and has had a good response from interested artists.

Country Store

"A wide variety of merchandise will be offered," says Mrs. F. J. DeGrodt, president of the Home Demonstration Club speaking for the members who sponsor this booth. The Country Store is where you'll find almost everything from Antimacassars to Zwiebach.

Purple Petticoat

A night club atmosphere will pervade the day's and night's fresh-air-by-Nature event. A purple petticoat will mark the exact location so you can't miss it. Come prepared for a day and evening of fun. This activity is sponsored by the D'Hanis Lions Club.

Museum Directors

Medina County Museum Board of Directors will hold their regular meeting on May 13, at 7:30 p.m. at the Medina Electric Co-Op building.

The public is invited to attend this meeting.

Included on the agenda will be a report on the Museum Day activities and earnings.

In Saturday primaries

Record vote seen

Interest is running higher for this year's Democratic and Republican primaries than it did in the off-year elections in 1970, but slightly behind the 1972 primaries. That is the cue taken from absentee balloting in the elections.

County Clerk Henry Schulte released the following figures for absentee voting since the boxes closed April 30. Seventy-eight persons have voted absentee in the Democratic primary, and two Republican ballots were turned in.

This compares favorably with only 32 in 1970's Democratic primary, but is still short of the record 104 in 1972.

Registrations for the 1974 election are at an all-time high 10,227. This is considerably above the 7,221 in 1970 and 8,514 in 1972. Over 6,500 votes will be necessary to beat the 64 per cent turnout of 1972.

In a rare conflict of boundary lines for County, State and national districts, Medina Countians will be involved in two Congressional races this year.

In some cases, even single precincts will be split between the 21st and 23rd Congressional District primaries. Among those split precincts are Mico, Biry, Dunlay and Rio Medina.

Castroville, LaCoste, Devine and Natalia will vote for candidates in the 23rd District including incumbent Abraham (Chick) Kazen, Jon Roland and Jake Johnson. Hondo, Quihi, Yancey and D'Hanis voters will cast their ballots for candidates for nomination in the 21st District including John H. Poerner, Patrick M. Ainsworth, Robert Krueger, Nelson Wolff, Allen Moore and Joe Sullivan.

Otherwise, races will be identical throughout the County for state and county-wide elections, and two precincts will vote for Commissioners and Justices of the Peace.

Democrats will vote in the following polling places: Southwest Hondo--Jake Schuehle Ford; Northwest Hondo--Rath Motors; Southeast Hondo--Fire House; Northeast Hondo--Court House.

Devine--3 boxes at Methodist Church, Brown Chevrolet and the old school cafeteria.

North Castroville--Legion Hall; South Castroville--Hermann Sons Hall.

Mico--Firehouse; LaCoste--VFW Hall; Biry--Schoolhouse; Yancey--Ag Building; Natalia--Legion Hall; D'Hanis--Firehouse; Dunlay--ODHS Hall; and Quihi--Schoolhouse.

Republicans will vote at the Medina County Court House in their primary, to be held concurrently with the Democratic primary Saturday.

At stake in that primary are gubernatorial candidates Jim Granberry and Odell McBrayer. Lieutenant Governor candidates are Gaylord Marshall and Troy Skates.

Other races are uncontested, and include the following: Attorney General, Tom Cole; Comptroller, Nick Rowe; State Treasurer, Robert G. Holt; Commissioner of General Land Office, Mary Lou Grier; Commissioner of Agriculture, Zack Fisher; Railroad Commissioner, Joe P. Cain; Railroad Commissioner, Dale W. Steffes; State Senator District 21, Patrick L. Searcy; State Representative District 45, Ed Mergele.

Precinct conventions scheduled for Demos, Republicans

Both Democratic and Republican precinct conventions are scheduled for Saturday and the public is invited to attend and participate.

This was the word from Bruce Foster, chairman of the County Republican Party, and Frank Crawford, chairman of the County Democratic Party.

Democrats will meet immediately after polls close at 7 p.m. at their own designated voting place. These polling places are listed in another story in this issue.

Republicans will meet at a consolidated convention at the Medina County Court House following the closing of polls Saturday.

Additionally, a County Republican convention will be held Saturday, May 11, at the home of Bruce Foster.

Shofner to resign May 14

Jim Shofner, Hondo Chief of Police since August, has announced his resignation from that post, effective May 14.

Shofner has been a policeman on the Hondo force since 1970.

In August of 1973 Police Chief Jerry Williamson resigned to take a position with a construction firm and Shofner was promoted to Chief by the City Council.

"At the time of my appointment, I was already awaiting an opening in the Texas Alcoholic Beverage Commission. When that opening came for next month, I decided to take it," said Shofner.

"I will be serving as an Inspector for the Alcoholic Beverage Commission in the San Antonio area," Shofner added.

No new Chief has yet been announced by the City Council as of press time.

Adult education coming

A group of about 15 persons met Tuesday night at the Municipal Building auditorium to outline a tentative curriculum for a continuing-studies program in Hondo and D'Hanis area.

The program will include an Adult Basic Education division which will extend from Grade 1 through GED level; an educationally-deprived vocational program, which will teach vocation-oriented courses for adults who are unemployed or underemployed and seek to raise their earning power; a recreational-oriented program of tuition-paying courses; and a college-credit program, also by tuition.

Hondo School Counselor Richard Lynch heads up the committee presently surveying the area to determine what courses will attract enough interest to include in the program.

A survey sheet is enclosed on Page 2 of this week's Anvil Herald, and others like it will be sent out to churches, schools and other organizations. Results of the survey must be known very soon; therefore it is very important that the sheets be handed back by May 10. They may be mailed directly to Mr. Lynch or the Chamber of Commerce; they may be dropped off at the Chamber of Commerce, Mr. Lynch's office, or the T.I.E.D. building next to Bluebonnet Cleaners.

A tentative starting date for the program is next September. Courses will be taught with the cooperation of Southwest Texas Jr. College in Uvalde.

Pecan production short course set

Medina County and area producers will have an opportunity to obtain the latest information on pecan production at the Medina County Pecan Short Course scheduled Monday, May 6, Hondo City Hall 7:30 p.m., announces Glenn Bragg, County Extension Agent.

George McEachern, Horticulturist, Texas A&M University, will discuss new and recommended varieties for this area, pecan fertilization, plant spacing, trickle irrigation and weed control.

Pecan diseases will be covered by Dr. Jerald Johnson, Plant Pathologist, Texas A&M University.

Dr. J. W. Steward, Area Entomologist, Uvalde Extension and Research Center, will elaborate on pecan and insect control.

The cost of trickle irrigation and cost and returns of pecan production will be explained by Glenn Fisher, Area Economist, Uvalde Extension and Research Center.

The program is designed to provide useful information to people owning from one tree to a complete pecan orchard, says the county agent.

A group of about 15 persons met Tuesday night at the Municipal Building auditorium to outline a tentative curriculum for a continuing-studies program in Hondo and D'Hanis area.

The program will include an Adult Basic Education division which will extend from Grade 1 through GED level; an educationally-deprived vocational program, which will teach vocation-oriented courses for adults who are unemployed or underemployed and seek to raise their earning power; a recreational-oriented program of tuition-paying courses; and a college-credit program, also by tuition.

Hondo School Counselor Richard Lynch heads up the committee presently surveying the area to determine what courses will attract enough interest to include in the program.

A survey sheet is enclosed on Page 2 of this week's Anvil Herald, and others like it will be sent out to churches, schools and other organizations. Results of the survey must be known very soon; therefore it is very important that the sheets be handed back by May 10. They may be mailed directly to Mr. Lynch or the Chamber of Commerce; they may be dropped off at the Chamber of Commerce, Mr. Lynch's office, or the T.I.E.D. building next to Bluebonnet Cleaners.

A tentative starting date for the program is next September. Courses will be taught with the cooperation of Southwest Texas Jr. College in Uvalde.

Pecan production short course set

Medina County and area producers will have an opportunity to obtain the latest information on pecan production at the Medina County Pecan Short Course scheduled Monday, May 6, Hondo City Hall 7:30 p.m., announces Glenn Bragg, County Extension Agent.

George McEachern, Horticulturist, Texas A&M University, will discuss new and recommended varieties for this area, pecan fertilization, plant spacing, trickle irrigation and weed control.

Pecan diseases will be covered by Dr. Jerald Johnson, Plant Pathologist, Texas A&M University.

Dr. J. W. Steward, Area Entomologist, Uvalde Extension and Research Center, will elaborate on pecan and insect control.

The cost of trickle irrigation and cost and returns of pecan production will be explained by Glenn Fisher, Area Economist, Uvalde Extension and Research Center.

The program is designed to provide useful information to people owning from one tree to a complete pecan orchard, says the county agent.

Medina County has a State Senator who has done many favors for people of his district. Saturday that Senator, John Traeger of Seguin, needs those favors returned in the form of votes.

John Traeger is a proven leader and deserves to continue his exemplary representation of the people in State Senatorial District 21.

John Traeger has the well-earned reputation of being the "hardest working Senator" in Texas. He earned it by doing it. John Traeger works hard to be sure his constituents are represented to the best of his ability.

That work during his stay in the House of Representatives and his tenure in the Senate has earned him the respect and admiration of all of his colleaugues in Austin.

It has earned him the respect and admiration of his many friends in the district as well as the entire state.

We believe John Traeger's honesty, his dedication to his job, and his loyalty to his public have earned him the right to another term in the Texas Senate. He'll get our vote.

GET OUT TO VOTE

One vote counts . . . YOURS!

You are the only one who can cast your vote. Nobody else can do it for you. But, if you don't vote, others will make your decision for you.

Just one vote counts . . . A LOT!

Your vote could be the most important ever cast for the candidate of your choice. Political history is dotted with incidents where just one vote determined the outcome.

TEXAS ceased being a separate nation and was admitted into the United States--by JUST ONE VOTE!

THOMAS JEFFERSON and JOHN QUINCY ADAMS both were elected president of the United States in the Electorial College--by JUST ONE VOTE!

RUTHERFORD B. HAYES was named president by just one vote, but the election was contested and referred to a commission. Hayes won that decision, too--by JUST ONE VOTE! And the Congressman who cast that decisive vote had been sent to Washington--by JUST ONE VOTE!

ABRAHAM (CHICK) KAZEN

'A man for the office' is one way of giving approval for a candidate in an office, but in the case of Congressman Abraham (Chick) Kazen in the 23rd Congressional District this is much too mild a way of saying it.

Kazen has served this district in an admirable fashion during his tenure in the U. S. Congress. His door has always been open to district residents and their problems. And once he heard the problem, Congressman Kazen did something about it.

Kazen's service in Congress gives him a decided edge in the experience department. He is no longer a novice at the game of serving in the halls of Congress and can, and will, get things done better than anyone else.

Another term well fits Congressman Kazen. He has been a "friend of the people."

We believe he will continue to be a friend to all people and will continue to work hard serving them in Congress. We believe he has earned the right to remain in Washington.

Dear Mrs. Porter,

Your name was in this week's "Family Weekly" about Hondo's traffic sign. About this, I have only this interest--it sounds like the Porters without the "please".

But, I am trying to build a family tree book with tales and letters of long ago, along with the brave and funny people who spread across the land. But, you know, Porters are almost as hard to follow up as Smiths and Jones!

However, within the last few months, I have "found" Porter related to families in many locations in Texas.

As far back as I have: James Porter, born in 1777 in N.C. married Catherine Walker and migrated to Alabama between the birth of my grandfather (1822) and his younger sister (1826). My grandfather, John James Porter, was married to Sarah Ann Howie (with a Howey lineage, too!) in 1850 in Alabama, but were in Mississippi for the birth of Rufus in 1861. My father was born in 1872 in Mississippi. These families had from 8 to 12 children with some few getting ambitious and having 15 and 16!! Men's names are repititious: William, Robert H., James, John, Virgil, Sidney (for Albert Sidney Johnston--a friend way back), Rufus Thomas, Alexander (rare), and so on.

At least one Uncle Bill is reported to have been killed in Texas by his partner. A tale connected with that (which I doubt considering lack of embalming) is that grandpa sent for the body. The casket carried unevenly so they opened it to find a log! A cousin in Texas has another man in the casket in Texas. Hers is more reasonable.

If you know any Porters who are in the least interested -- pass it on, please. I am hoping you are.

Sincerely yours,
Louise Porter

Dear Miss Porter,

Am so glad you saw our Signpost writeup in The Family Weekly Magazine. I enjoyed your letter so very much. I don't know much about the Porter family, but am going to talk with my husband and see what I can find out about the family tree. If I can find anything at all, I will write again and let you know.

My husband's family lived in Milwaukee, Wisconsin and Pittsburgh, Pennsylvania. I myself am from Hutchinson, Minnesota where I grew up and then went off to work in Milwaukee, Pittsburgh and Norfolk, Virginia, where I met Mr. Porter. He was in the Navy Air Corp.

Mr. Porter has one sister living in Sharon, Pa. and of course several cousins who we have completely lost contact with through the years.

I know I'm not much help, but I will see what I can find out about our family.

Dear Mr. Willis,

I enjoyed your letter and brochures, especially your "America from a Bicycle." You are right--With God, all things are possible.

Also noticed that you noticed the Family Weekly made a mistake in the direction Hondo is from San Antonio. The funny part is that Hwy 90 is East-West coast Highway. We were so pleased, though, to be included in a paper that has such a wide distribution.

Your bicycle trips sound fascinating and I am going to try to get the information in our weekly paper. If I do I will send you a copy. I will also take your Rockite brochure around to our local merchants who may have an outlet.

Letter to the editor

Dear Mr. Lawrence;

I would like to correct information stated in the caption of two good pictures in the paper last week. The error is probably due to the assumption on my part that the photographer was as knowledgeable of the names of the school units as I was. Therefore, I failed to make clear in what unit the students were enrolled. The pictures were those of two girls using an upholstery sewing machine to make cushion covers and of some boys with Mr. Hubert Hermes sitting around a picnic table which they had made. Both the cushions and table are to be auctioned on Museum Day. The incorrect information is that these students are a part of the MCAEC workshop. These students are a part of the Hondo Independent School District vocational training program. The portion of the proceeds that does not go to the museum will be used to pay for materials used by the students in projects they make for themselves to take home. In this way they are being able to earn while they learn.

I thank you for the pictures and apologize for the failure to give you precise information.

Yours truly,

Armed Forces Committee will take only veterans

DEL RIO -- "We need to continue to assure every effort to see that our fine military establishments in the 21st Congressional District remain strong and viable," John Poerner told supporters in Del Rio Monday.

"Congressman O. C. Fisher has served the military needs of our country, our state and our district in a commendable manner for years as a member of the Armed Forces Committee," Poerner continued.

The 21st Congressional District candidate pointed out: "There has been the tradition of an unwritten law which prevents a representative being appointed to this committee unless he is a veteran. But Mr. Fisher has endorsed a San Antonio candidate who has never answered the question, "Are you a veteran?"

"In essence he is telling us to forget Laughlin AFB here in Del Rio, to forget Goodfellow AFB in San Angelo, to forget all the fine military establishments in and around San Antonio. He is telling us, "Vote for my candidate and let someone else from another state serve on this committee. Let them protect the military needs of our area."

I say, "Let's don't take that chance. Let's send a man to Congress who is the only acknowledged veteran among the top three Democrats, one who would have the chance to be named to this prestigious and vital committee should the opportunity arise."

"There certainly is no assurance that I would ever be appointed to the committee. That has to be understood. But as a veteran of the Air Force, I certainly would have the qualifications required by this tradition and practiced by this committee over the years."

VA news

The Veterans Administration reminds married home-minded veterans that it is now easier to qualify for GI home loans.

A. A. Hunter, VA Regional Office Director, noted that VA now accords full recognition to incomes and expenses of both veteran and spouse in determining ability to repay loan obligations.

Mr. Hunter said VA is required by law to determine if contemplated terms of repayment bear a proper relation to the veteran's anticipated income and expenses before approving the loan.

"But while the spouse's income has always been considered," Hunter explained, "local rules sometimes had the effect of discounting the spouse's income. Now, however, no such local rules are imposed, and the spouse's income is given full consideration."

VA guarantees 60 per cent of GI home loans (maximum $12,500) private lenders make to servicemen, veterans and eligible spouses of World War II, Korean and post-Korean Conflicts and the Vietnam Era.

Expect tax refund in ten weeks

AUSTIN -- Where is my refund? The Internal Revenue Service says that is what many taxpayers who telephone nowadays are asking.

Taxpayers who waited until the April 15 deadline to mail their returns can expect their refunds by the end of June, according to Richard J. Stakem Jr., district director for the Internal Revenue Service in southern Texas.

The tax official said that taxpayer service representatives are answering about 3,500 telephone calls a day in the southern half of the state. Many of the callers filed returns a month or six weeks ag and want to know the status of their refunds, Stakem said.

"A taxpayer should not become concerned about the refund," he advised, "until ten weeks have past since the return was mailed to the service center."

One significant reason for the long processing time, Stakem pointed out, is that "more than 40 per cent of the individual tax returns were filed after April 1."

Lung machine fund grows

An article in last week's Anvil Herald mentioned the need at Medina Memorial Hospital for a pulmonary function laboratory. Cost of that equipment for the Hondo facility was estimated by Chief of Staff Dr. W. S. Duty at near $2,000.

Already, donations have begun to come in from Medina Countians who care about the prevention and cure of chronic obstructive lung diseases such as asthma, emphysema and chronic bronchitis.

Donations to date, says Hospital Administrator J. Melvin Finger, are $135. Hopefully, other citizens will come forward with donations toward this worthwhile project.

Screwworm warning

A fresh alert has been given area ranchers and stock-raisers by County Extension Agent Glenn Bragg concerning screwworms.

"Two new cases have been reported in Medina County this week," Bragg stated.

"One of them was near Yancey. The other was about eight miles northwest of Devine."

Bragg cautions stockmen to keep a close watch on livestock and to promptly treat any wounded animal before it can be infested.

Poerner opposes abortion

Congressional Candidate John H. Poerner told San Angelo university students this week he is opposed to abortion and could not support a pro-abortion bill in Congress.

"I believe life begins with conception and for that reason could never favor a pro-abortion bill," Poerner said.

"While I am a Catholic, many of my Protestant and Jewish friends share this same belief," Poerner added.

Poerner's statement came in answer to a question asked of all 21st District candidates in attendance at the Angelo State University meeting.

"While many people believe abortion is a moral rather than a legal question the fact remains legislation regarding abortion is being considered in Congress. Whoever is elected to represent the 21st District will have to face this issue," Poerner said.

John Poerner...
the man for ALL reasons

The 21st Congressional District is a huge area . . . 32 counties, 51,000 square miles, one-half million rural and urban people. It takes a "man of the land" to know these people. And John Poerner is that man . . . by a wide margin!

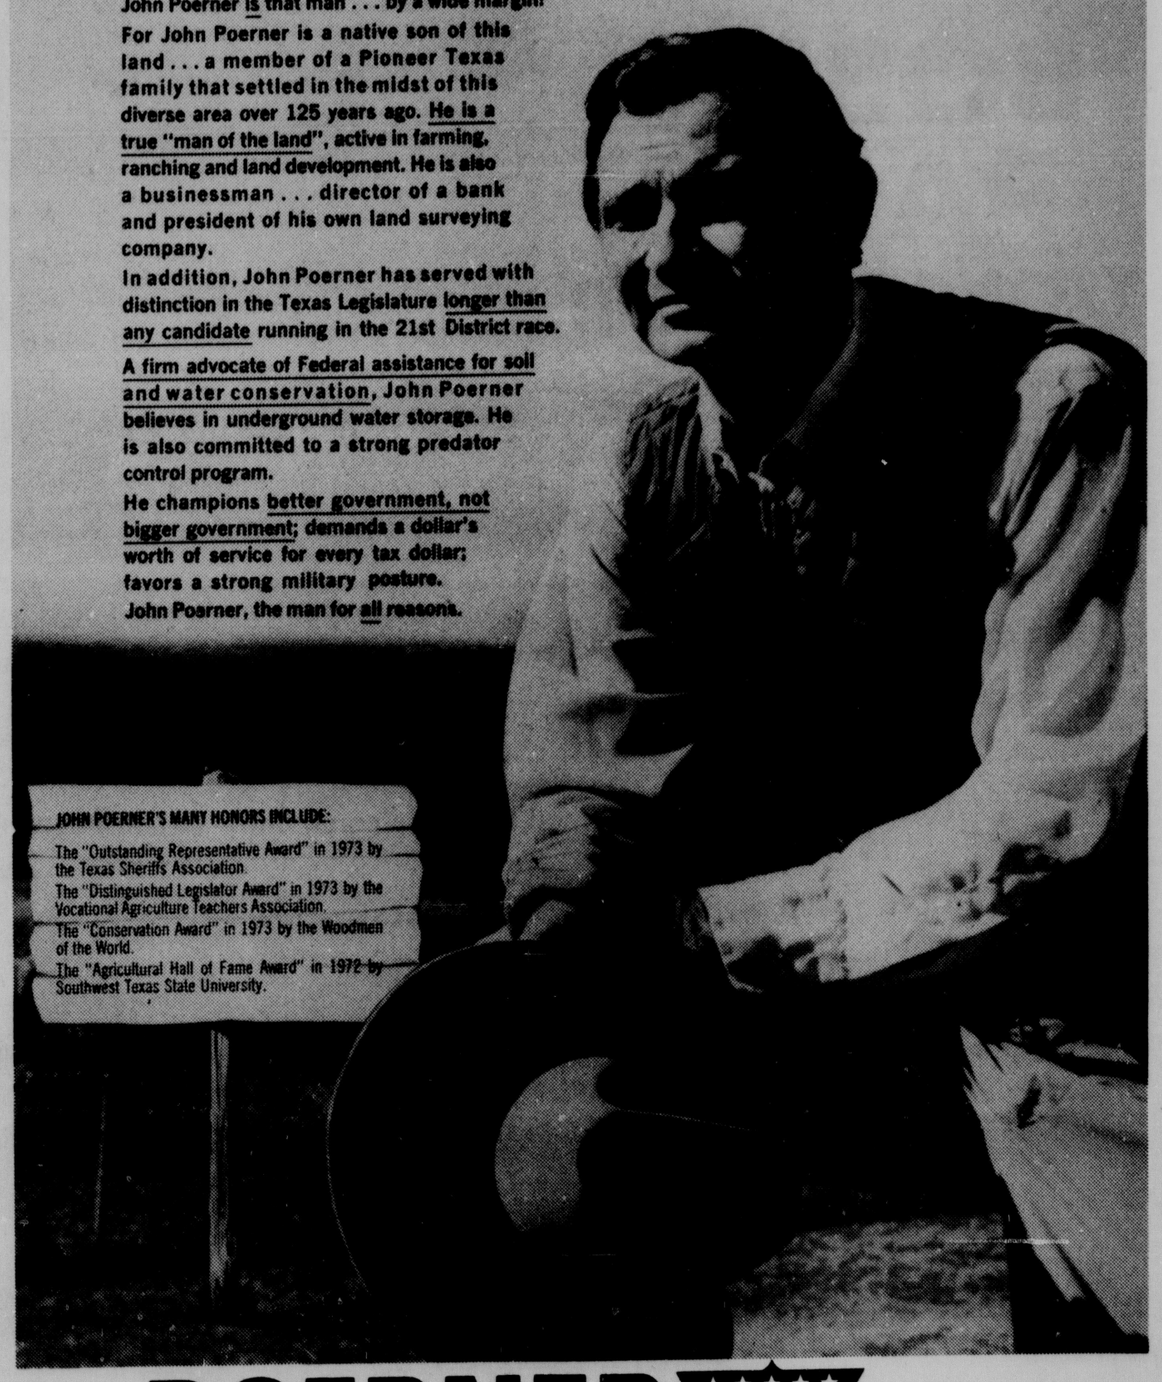
For John Poerner is a native son of this land . . . a member of a Pioneer Texas family that settled in the midst of this diverse area over 125 years ago. He is a true "man of the land", active in farming, ranching and land development. He is also a businessman . . . director of a bank and president of his own land surveying company.

In addition, John Poerner has served with distinction in the Texas Legislature longer than any candidate running in the 21st District race.

A firm advocate of Federal assistance for soil and water conservation, John Poerner believes in underground water storage. He is also committed to a strong predator control program.

He champions better government, not bigger government; demands a dollar's worth of service for every tax dollar; favors a strong military posture.

John Poerner, the man for all reasons.



JOHN POERNER'S MANY HONORS INCLUDE:
The "Outstanding Representative Award" in 1973 by the Texas Sheriffs Association.
The "Distinguished Legislator Award" in 1973 by the Vocational Agriculture Teachers Association.
The "Conservation Award" in 1973 by the Woodmen of the World.

Chaneys celebrate 50th Anniversary

Mr. and Mrs. J. S. Chaney were honored on their fiftieth wedding anniversary on Saturday, April 20, 1974, from 2:30 to 6 p.m. with a reception at their home by their sons and daughters, Mr. and Mrs. Frank Chaney, Corpus Christi; Mr. and Mrs. Bruce Chaney, Clifton, Texas; Robert Chaney, Jourdanton; Mr. and Mrs. James Cassle, Calame Store Road; Mr. and Mrs. Bobby Todd, Lubbock; Mr. and Mrs. D. A. Davis, Fort Worth, and their niece and husband, Mr. and Mrs. Bill Sherrard of Stephenville.

Mrs. Chaney chose to wear a blue and white knit tailored shirt-waist dress with white accessories. Her corsage was a white orchid presented to her by her son, Frank. Mr. Chaney and Mrs. Chaney, the former Miss Ora J. Thomas, were married April 20, 1924 in the Baptist parsonage in Hamilton, Texas by the pastor, the Rev. Clarence Allen Morton.

The serving table was covered with a gold-colored tablecloth overlaid with a sheer gold tablecloth centered with an arrangement of bronze gold and yellow roses and mums and flanked by the number "50" on a stand. The two-tiered cake, a white confection, was decorated with yellow roses and lillies of the valley with the inscription "Fifty" inscribed in gold.

The cake and punch were served to approximately 75 guests.

Mr. and Mrs. Chaney were honored with the presence of all their children except their son, James Ross Chaney of Fort Worth. They were also honored with the presence of Mrs. Chaney's sister, Mrs. J. W. Able of Fairy, Texas; Mrs. Lillian Lowrance of Hamilton; their granddaughter and husband, Mr. and Mrs. Glenn King of Austin; their grandson and family, Mr. and Mrs. Jimmy Todd and Mistie of Lubbock; also their grandchildren, Shelly, Eric and Shane Davis of Fort Worth; and nephew Tom Able of Dallas.

Mr. and Mrs. Chaney were honored with a floral arrangement of miniature mums, baby's breath and dutch iris by their friends at the Tri-County Farmers Coop.

The South Hondo Unit II 4-H Club met April 1. Cathy Schueling gave the prayer and Robyn and Jeff Ward led in the motto and pledge.

Doug Cole gave a report on Dog Care and Cathy Schueling gave one on Rifle. Keith Saathoff and Larry Bohmfalk gave a demonstration on vegetable production. Rusty Haile and Janet Wilson had one on Horse and Chris and Doug Cole did one on Safety.

Cindy Nail became a new member of the club.

The officers were elected for the new year. They are: Jesse Seals, Boy Council Delegate; Sandy Moos, Girl Council Delegate; Chris Cole, Boy Co-Chairman; Kay Martin, Girl Co-Chairman; Nancy Martin, corresponding secretary; Lori Mueller, recording secretary; Lynn Moos, treasurer; Dan Woolls, radio reporter; Jayne Timberlake, news reporter; and Carol Schmidt, parliamentarian.

The next meeting will be held on May 6th. It will be a picnic at the City Park.

Although I am not a horoscope addict, I scan the columns now and then just for laughs. I've decided that us Libras must be being weighed on scales slightly off balance when it comes to the goodies.

For instance: "Disappointments may arise but your will power is strong enough to overcome" etc. . . .

Maybe my vibes are oscillating more fro than to. Anyway, my personal disappointment [this week] is because I can't be among those present on Museum Days, May 4-5. How I shall miss the event which gives me the opportunity to renew friendships, catch up on the local news, find items to include in this weekly space, and share in all the fun and frolic.

My unpredictable sissy skin is on another rampage and my better [I hope] judgement tells me to stay indoors. How can one do that with M-Days going on in the beautiful outdoors of Hondo Park?

Will power, my eye! Maybe some of my talent scouts will be on duty and take time to report. Please do, and thank you in advance.

A couple of name-dropping items: A picture of an exhibit of BYBEE POTTERY appears in a current magazine outlining plans for "Capital Expo" scheduled for May 24-27 in Frankfort, Kentucky. This will spotlight artists and craftsmen who are still practicing their skills, during the Bluegrass State's bicentennial year. While no specific mention was made of Hondo's PAUL [Elaine] BYBEEs, maybe they have kissin' cousins somewhere along the line.

The town of McDADE, Bastrop County, [pop. 345] made the news last week when the new Miss Texas U.S.A., a student at SWTSU, San Marcos, claimed it as her home-town. Now she will represent Texas in a preliminary Miss Universe contest to be held in Manila, Philippines in July.

Founders of the tiny dot on the Texas map named it in honor of one of my late husband's paternal ancestors who was a member of the Texas Senate, 11th Legislature, circa 1866. He was also a J. W. McDade [of Austin County] and we have the picture of the group's 35 members and officers, made by Austin Photograph Company, Pecan Street, Austin, Texas.

Probably out of business by now.

November might not be the only No-No month of the calendar as Thomas Hood [1798-1845] rhymed about in his poem "NO". [No fruits, no flowers, etc. etc. NOvember!]

Folks in Wilmington, Ohio [pop. 8950 in 1960] complained of these shortages or fresh-outs in April: No paper lunch bags, no plastic containers for pills, no new farm machinery or parts for old models, no fertilizer, no hydrated lime, no asphalt, no solvents, no plastics, no shoe or boot heels, no water tumblers, no paper for hospital surgery schedules. April must have been a plain no-go month in that city.

If you are really dead sot agin' paying-taxes-til-it-hurts, you might transplant to Pyong Yang, N. Korea, which boasts of being the first tax-free city in history.

Of course, the average per capita income there is below $200 and the Board of Education has for its motto "Floreant Linguae Antiquae" which might translate [freely] to "Don't let 'em learn to read English."

* * *

High school graduates will soon be off to college. Something new has been added to the courses offered by some colleges -- none in Texas were listed.

How about making your major "Sociology of peace, showing how history, literature, religion, economics AND politics are all intertwined and interdependent."

Peace studies are said to be "one form of putting it all together" and are also considered to be "today's fastest-growing campus phenomenon." Bachelor degrees are offered in Peace Arts.

The piece I read about this Peace bit said the subject was not new: "Peace studies date back to 1815 and the Congress of Vienna at the end of Napoleonic Wars" -- which is about where I came in.

* * *

In Sept., 1922, the Anvil Herald carried this ad headed "A New One". A San Antonio fish and poultry market offered: "Why not bring in your Old Hen and select New Ones instead at market prices."

The ad didn't say whether or not they had many takers.

* * *

Hondo Librarian LOTTIE MAW probably never encounters such problems as these reported by a Houston branch library:

"Do you have any books on the Bluebonnet Plague?" / "No, but we have some about bubonic plague." / "Good, that's probably the same thing. I'll be in to check one out."

Patron: "I want someting on vegetarians." / "Do you want something on the health aspect?" / "No, I just wan to know how to be one. I prefer animals myself."

"Being weird in a library isn't against the law," commented one lady book dispenser.

Lottie would probably understand that.

Chaneys celebrate 50th Anniversary

Mr. and Mrs. J. S. Chaney were honored on their fiftieth wedding anniversary on Saturday, April 20, 1974, from 2:30 to 6 p.m. with a reception at their home by their sons and daughters, Mr. and Mrs. Frank Chaney, Corpus Christi; Mr. and Mrs. Bruce Chaney, Clifton, Texas; Robert Chaney, Jourdanton; Mr. and Mrs. James Cassle, Calame Store Road; Mr. and Mrs. Bobby Todd, Lubbock; Mr. and Mrs. D. A. Davis, Fort Worth, and their niece and husband, Mr. and Mrs. Bill Sherrard of Stephenville.

Mrs. Chaney chose to wear a blue and white knit tailored shirt-waist dress with white accessories. Her corsage was a white orchid presented to her by her son, Frank. Mr. Chaney and Mrs. Chaney, the former Miss Ora J. Thomas, were married April 20, 1924 in the Baptist parsonage in Hamilton, Texas by the pastor, the Rev. Clarence Allen Morton.

The serving table was covered with a gold-colored tablecloth overlaid with a sheer gold tablecloth centered with an arrangement of bronze gold and yellow roses and mums and flanked by the number "50" on a stand. The two-tiered cake, a white confection, was decorated with yellow roses and lillies of the valley with the inscription "Fifty" inscribed in gold.

The cake and punch were served to approximately 75 guests.

Mr. and Mrs. Chaney were honored with the presence of all their children except their son, James Ross Chaney of Fort Worth. They were also honored with the presence of Mrs. Chaney's sister, Mrs. J. W. Able of Fairy, Texas; Mrs. Lillian Lowrance of Hamilton; their granddaughter and husband, Mr. and Mrs. Glenn King of Austin; their grandson and family, Mr. and Mrs. Jimmy Todd and Mistie of Lubbock; also their grandchildren, Shelly, Eric and Shane Davis of Fort Worth; and nephew Tom Able of Dallas.

Mr. and Mrs. Chaney were honored with a floral arrangement of miniature mums, baby's breath and dutch iris by their friends at the Tri-County Farmers Coop.

Pharmacists meet in Hondo

Hondo was the site of the Spring meeting of the Southwest Texas Pharmaceutical Association. Pharmacists from a 13-county area attended to discuss mutual problems and to increase their knowledge about their profession.

Speakers for the meeting were Chick Eakman of San Angelo, president of the State Pharmaceutical Association; Francisco Benavides of Eagle Pass, co-ordinator of the Alcohol Abuse Program in Maverick County; and Onis Wiemers of Hondo, the first student to participate in the University of Texas internship program in this area.

Mrs. Ann Peden of Hondo was appointed secretary to fill the unexpired term of W. A. Hill from Del Rio who passed away last month.

A memorial scholarship fund was established for Mr. Hill. Any student in this area who is interested in a career in pharmacy should contact Bob Peden, Scholarship Chairman.

A memorial gift honoring Mrs. O. A. (Millie) Fly was sent to the TPA Building Fund.

Attending the meeting from Hondo were co-hosts Bill and Linda Butler (Dan's Drug) and Bob and Ann Peden (Peden Rexall Drug).

Engagement Announced

Mr. and Mrs. John Seifert of Hondo announce the engagement and approaching marriage of their daughter, Susan Elizabeth, to Jeffrey Gordon Swope.

The bridegroom-elect is the son of Captain and Mrs. James S. Swope of 4029 Clayton Road East, Fort Worth.

The wedding will be solemnized June 22, at 8:00 p.m. at Holy Family Catholic Church, Fort Worth.

WHAT MAKES A FRESH DRUG?

There are many factors that can effect the freshness or potency of drugs. To name just a few there are temperature, light, moisture, type of container and of course, the ability of the drug itself to remain in a potent state. Because of this last mentioned condition some drugs are labeled with a date beyond which they should not be used.

The very first thing your pharmacist will check for is an expiration date on the container. Sometimes, a drug will start losing its potency after it is mixed with something else or is out of its original container. This information is then put on your prescription container.

"A GREAT MANY PEOPLE ENTRUST US with their prescriptions, health needs and other pharmacy products. We consider this trust a privilege and a duty. May we be your personal family pharmacy? We welcome requests for delivery service and charge accounts."

David G. Odam

DAVID G. ODAM, Candidate for County Commissioner for Precinct 4, solicits your vote Saturday, May 4, 1974.

I have been a resident and taxpayer of Medina County, living in the Devine area since February 1, 1937.

I am a member of the First Baptist Church, Devine.

I am a Veteran of World War II.

I am a heavy equipment operator, a finish blade man; now working in San Antonio on road construction.

If elected, I pledge full time service as your commissioner, as I will resign from my present job, and would have no other obligations to hinder my serving the people in all the duties of the commissioner, in the precinct and the county.

I pledge 25 years of road construction experience, in all phases of construction from farm-to-market roads, to Interstate Highways.

I pledge, fairness, honesty, and loyalty to all, serving YOU the PEOPLE, to the best of my ability.

May I serve you as your next commissioner for the next 4 year term?

I will appreciate your vote and support, May 4.

Since my job demands 10 hours a day, 5 days a week, working time, it has made it impossible for me to see everyone, as I desired to do. I offer my apologies to each that I could not visit.

Pharmacists meet in Hondo

Hondo was the site of the Spring meeting of the Southwest Texas Pharmaceutical Association. Pharmacists from a 13-county area attended to discuss mutual problems and to increase their knowledge about their profession.

Speakers for the meeting were Chick Eakman of San Angelo, past president of the State Pharmaceutical Association; Francisco Benavides of Eagle Pass, co-ordinator of the Alcohol Abuse Program in Maverick County; and Onis Wiemers of Hondo, the first student to participate in the University of Texas internship program in this area.

Mrs. Ann Peden of Hondo was appointed secretary to fill the unexpired term of W. A. Hill from Del Rio who passed away last month.

A memorial scholarship fund was established for Mr. Hill. Any student in this area who is interested in a career in pharmacy should contact Bob Peden, Scholarship Chairman.

A memorial gift honoring Mrs. O. A. (Millie) Fly was sent to the TPA Building Fund.

Attending the meeting from Hondo were co-hosts Bill and Linda Butler (Dan's Drug) and Bob and Ann Peden (Peden Rexall Drug).

Engagement Announced

Mr. and Mrs. John Seifert of Hondo announce the engagement and approaching marriage of their daughter, Susan Elizabeth, to Jeffrey Gordon Swope.

The bridegroom-elect is the son of Captain and Mrs. James S. Swope of 4029 Clayton Road East, Fort Worth.

The wedding will be solemnized June 22, at 8:00 p.m. at Holy Family Catholic Church, Fort Worth.

Lions set broom sale

The need to help the blind to help themselves is ever increasing. The Hondo Lions Club will do its share to fill that need by selling quality household products made by skilled Texas blind-craftsmen on Wednesday, May 8, 1974.

Do your share, buy a broom, mop or other household article from the Lion who calls on you, or see the large display at the Caravan Truck which will be located in front of the Hondo National Bank.

McDowell Band to play

The McDowell Junior High School Band and 5th and 6th Grade Bands will present their Annual Spring Concert on Thursday, May 9th, at 8 p.m. in the High School Auditorium.

Admission will be 75 cents for adults and 25 cents for students.

The Bands are under the direction of Billy Harrell and Dennis Smith.

PET PORTRAITURE . . . is the predominant practice of Georgia Stok, who will paint in person at the Museum Days Celebration Saturday. She will paint anyone's pet on that day, so bring along the family dog [or cat] Saturday.

Art League meet Monday

The Hondo Art League will meet Monday evening, May 6, at 7:30 p.m. at Hondo City Auditorium.

Guest speaker for the meeting will be Ms. Kay Maxham, who is a weaving instructor at the Southwest Craft Center in San Antonio.

The Art League meeting is open to the public, and anyone interested in art is invited to attend.

Natalia students place in literary

Five Natalia High School students placed at the U.I.L. Region Meet held in Victoria on April 19. Bringing home a silver-cup trophy after placing second in Girl's Debate were Esabel Gonzales and Yolanda Rodriguez. Second place honors also went to Robbin Evans in Girls' Prose Reading. Third place winners for Natalia were: Gail Mays in Ready Writing, Paul Noland in Boys' Prose Reading and Carl Gardner in Science. Carl also participated in the Slide Rule contest.

Other participants were: Mary Lou Rodriguez and Yolanda Rodriguez in Spelling, Debbie Little and Bruce Clark in Persuasive Speaking, Shirley smith and Jim Noland in Informative Speaking, Sharon Neyland in Shorthand, Estella Morales in Typing, Cheryl Clark and Ricky Sepulveda in Poetry Interpretation and Jimmy Reynolds in Ready Writing.

Other students attending the meet were: Kathy Miller, Cynthia Carter and Valinda Fiorenza.

All students attending the meet agreed that the U.I.L. Regional competition was keen and exhilerating. Eight school districts were represented at Victoria.

The Natalia students were accompanied by their sponsors: Mrs. Jane C. Abell, Mrs. Jessie Cowan, Miss Cristina Sepulveda, Dewayne Redus, Bill West and B. C. McDonald, High School Principal.

WHAT MAKES A FRESH DRUG?

There are many factors that can effect the freshness or potency of drugs. To name just a few there are temperature, light, moisture, type of container and of course, the ability of the drug itself to remain in a potent state. Because of this last mentioned condition some drugs are labeled with a date beyond which they should not be used.

The very first thing your pharmacist will check for is an expiration date on the container. Sometimes, a drug will start losing its potency after it is mixed with something else or is out of its original container. This information is then put on your prescription container.

"A GREAT MANY PEOPLE ENTRUST US with their prescriptions, health needs and other pharmacy products. We consider this trust a privilege and a duty. May we be your personal family pharmacy? We welcome requests for delivery service and charge accounts."

David G. Odam

DAVID G. ODAM, Candidate for County Commissioner for Precinct 4, solicits your vote Saturday, May 4, 1974.

I have been a resident and taxpayer of Medina County, living in the Devine area since February 1, 1937.

I am a member of the First Baptist Church, Devine.

I am a Veteran of World War II.

I am a heavy equipment operator, a finish blade man; now working in San Antonio on road construction.

If elected, I pledge full time service as your commissioner, as I will resign from my present job, and would have no other obligations to hinder my serving the people in all the duties of the commissioner, in the precinct and the county.

I pledge 25 years of road construction experience, in all phases of construction from farm-to-market roads, to Interstate Highways.

I pledge, fairness, honesty, and loyalty to all, serving YOU the PEOPLE, to the best of my ability.

May I serve you as your next commissioner for the next 4 year term?

I will appreciate your vote and support, May 4.

Since my job demands 10 hours a day, 5 days a week, working time, it has made it impossible for me to see everyone, as I desired to do. I offer my apologies to each that I could not visit.

Natalia and Chacon Lake news

Mr. and Mrs. J. C. Cassle honored her parents, Mr. and Mrs. J. S. Chaney, and approximately 40 guests with a dinner at their home on Saturday.

Mr. and Mrs. Warren McDonough and Cara moved to Boerne the past week. Their son, Craig, remained with his grandparents, Mr. and Mrs. E. C. Frazier, to finish this term of Natalia school.

Mrs. John Gurano of Triangle, Virginia, arrived Sunday for a visit with her parents, Mr. and Mrs. E. C. Frazier. Mr. Gurano, who was serving in the Marines, was discharged Tuesday, April 23.

S/Sgt. and Mrs. Earl J. Gray, who was on a three days TDY duty in New Orleans, La., returned home Saturday evening. Mr. Gray's sister, Miss Suzanne Gray, and Miss Mary Anne Olivares babysat with Brenda, Patrick William and the twins, Kerry and Kelly, at the Gray home while their parents were on the trip.

Mrs. Melton McMillan and her mother, Mrs. John L. Kempf, motored to Boerne Friday for the afternoon with their cousins, Mr. and Mrs. S. R. Odom.

Mrs. Winnie Tilley and her sister, Miss Arila Crawford, returned home Thursday evening after having vacationed since March 7th in Indio, California dividing time with Mrs. Tilley's daughter, Mrs. Arlene Garrett and Roxanne and her son-in-law, Leon Fouts and Leon Jr.

Mr. and Mrs. Edward G. Wheeler and Mary Lynn of Cleveland, Texas arrived Friday and visited until Sunday afternoon with Mrs. Wheeler's mother, Mrs. R. W. Crawford.

Mr. and Mrs. Julian Alvarado Jr. had as their weekend guests, her sisters, brother-in-law, niece and nephews, Mr. and Mrs. Jesse Robago, Jesse Jr. and Mrs. Ada Sandval, Sandra and Johnny from San Antonio.

Mr. and Mrs. J. R. Marsh had as their overnight guests on Friday her cousins, Mr. and Mrs. Larry Brown from Alice and the foursome enjoyed dinner Friday evening with Mr. and Mrs. Marsh's son and daughter-in-law, Mr. and Mrs. Virgil Marsh.

Mr. and Mrs. Douglas Caldwell went to San Antonio Sunday for the day with her brother, Mr. Brigham Barker, and Mr. Emil Kupca, and they attended church service at St. John's Methodist Church.

Mrs. Ronald White, Douglas Jerry and Brandon Pierce left by car Tuesday morning to return to their home in Fort Worth after having visited a month dividing time with her parents, the Douglas Caldwells, and her sister and family, the B. J. Musicks, Billy John and Kellie Lynn, and her in-laws, the T. J. Whites in San Antonio.

Coach and Mrs. Mike Rheinlaender, Randy and Shawn, Mr. and Mrs. Lenard Dossey, Lenard Roy, Daniel Jimmy and Brenda, Russell L. Kirkwood and son David, also Terry Elliott, Joey Moore, George Monreal and Johnny Perez motored to Victoria Saturday to attend the Regional meet.

Mrs. Newton Lee and Mrs. Lee A. Estep accompanied Mrs. Lee's mother, Mrs. Agnes Curtis, back to her home in Victoria on Monday after she had visited since Thursday.

Miss Shirley Kramer returned to Nacogdoches Saturday to resume her studies at Stephen F. Austin University after having visited a week with her mother, Mrs. A. N. Kramer.

Mr. and Mrs. Kenneth D. Walker enjoyed the weekend in Laredo and sightseeing and shopping in Nuevo Laredo, Mexico.

John Rodriguez in recital

John Rodriguez of Hondo, Freshman student of percussion under Rosemary Small; and Darrel Gan of Devine, Freshman trombonist under David Herfort performed Tuesday in a recital at Texas A&I University.

EARLY-DAY FASHIONS . . . showed up in the window of the Hondo Style Shop to commemorate the Museum Days Celebration coming up Saturday and Sunday.

"Opal" loved in Hacienda stage play

John Patrick's play, "Everybody Loves Opal", opened last week at the Hacienda Dinner Playhouse. A cricital reception of this Broadway production starring Annabelle Weenick, is loads of laughs and a cheerful philosophy.

Opal Kronkie, Annabelle, a middle-age recluse, lives in a tumble down mansion at the edge of the municipal dump. Opal collects anything that can be toted home in her little red wagon. Bursting into her strange world comes Gloria, Brad and Solomon, three purveyors of bogus perfume on the lam from the authorities. Opal's menage' is the perfect hideout and so unfolds the goofy extravagant and enjoyable comedy of Opal and her - "friends?".

Sharing the spotlight with Annabelle in this "prank in three acts", is Gene Ross, Camilla Carr, Ted Shackeford, Hank Roberts and Richard Reyes.

Tschirharts return from tropical trip

Chick and Aurline Tschirhart just returned from a 5-day all expense paid trip to the RCA Convention in Curacao. This was earned from a sales promotion of dealers in the South Texas Area of which approximately 50 dealers and wives attended.

Curacao is the largest of the six islands comprising the Netherlands Antilles and lies just off the coast of Venezuela, 2,390 air miles from San Antonio. This beautiful, tropical island, 38 miles long and seven miles wide at its widest point, has 150,000 friendly inhabitants repreenting 52 nationalities.

Fantastic ocean breezes keep this paradise at a moderate 80 degrees during the day, year round. The evenings are cool and comfortable. As a matter of fact, the weather is so perfect here, the native language has no word for weather.

From the Treaty of Paris in 1815 until 1953, Curacao belonged to the Dutch, at which time it became an autonomous part of the Kingdom of the Netherlands. Dutch is the official language of the island and is spoken fluently by the natives, as is English, Spanish, and Papiamento -- their own unwritten language. The people have a well-earned reputation for religious and racial tolerance. They are clean, pleasant and polite. Willemstad, the capitol, is architecturally the same as any town in Holland.

CAMP FIRE NEWS

Camp Fire Girls Susan Gooch, Kay Wentz and Sherry Wiemers served refreshments. Kay Wentz baked a birthday cake for Pauline Aelvoet.

After refreshments we went outside then came inside because it started raining. Sherry Wiemers sang a song, then we played Three-up.

Those that attended were Kay Wentz, Debbie Saathoff, Mary Carabajal, Sherry Wiemers, Susan Gooch, Pauline Aelvoet, Donna Jacobs, Shiela Blazen, Sharon Schueling, Patricia Lewis.

The meeting was dismissed.

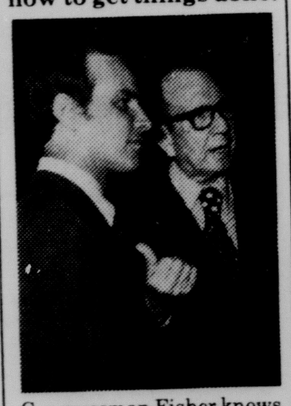
In 32 years, Congressman O.C. Fisher has endorsed only one man. Nelson Wolff.

"Nelson Wolff knows how to get things done."

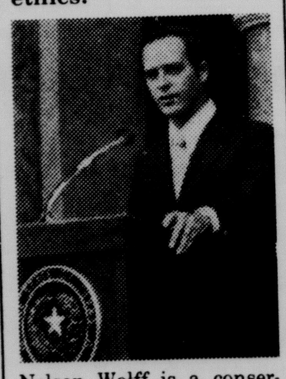


Congressman Fisher knows Nelson Wolff. He knows that he is an experienced and effective legislator. A man of action. Nelson Wolff has four years experience in Austin. Working for his constituents. Learning how to write a bill, get it through committee and passed. And his record of legislative accomplishments is impressive. Strengthening law enforcement and improving the judiciary. The first "No-New-Taxes" budget in 25 years. Action on the energy crisis. Congressman Fisher has endorsed Nelson Wolff because Nelson Wolff is not a talker. He is a doer.

"Nelson Wolff has an urban-rural outlook."

As a rancher, Nelson Wolff knows the needs of the agricultural industry. As the owner and co-founder, along with his father and two brothers, of a lumber business, he knows the needs of the city, too. More than any other candidate Nelson Wolff is ideally suited to serve the diverse 21st Congressional District.

"Nelson Wolff stands for high political ethics."



Nelson Wolff is a conservative minded man who believes in honesty and fair play in government. He was elected to the State Legislature on a pledge of ethics and integrity in government. He kept his promise. With support for the strongest ethics bill in the nation. And legislation requiring full financial disclosure. In his own campaign Nelson Wolff has adopted guidelines more stringent than those required by Federal Law. Nelson Wolff is running for Congress, now. But on the same pledge. To restore integrity and ethics to government. He'll keep this promise, also.

Natalia and Chacon Lake news

Mr. and Mrs. J. C. Cassle honored her parents, Mr. and Mrs. J. S. Chaney, and approximately 40 guests with a dinner at their home on Saturday.

Mr. and Mrs. Warren McDonough and Cara moved to Boerne the past week. Their son, Craig, remained with his grandparents, Mr. and Mrs. E. C. Frazier, to finish this term of Natalia school.

Mrs. John Gurano of Triangle, Virginia, arrived Sunday for a visit with her parents, Mr. and Mrs. E. C. Frazier. Mr. Gurano, who was serving in the Marines, was discharged Tuesday, April 23.

S/Sgt. and Mrs. Earl J. Gray, who was on a three days TDY duty in New Orleans, La., returned home Saturday evening. Mr. Gray's sister, Miss Suzanne Gray, and Miss Mary Anne Olivares babysat with Brenda, Patrick William and the twins, Kerry and Kelly, at the Gray home while their parents were on the trip.

Mrs. Melton McMillan and her mother, Mrs. John L. Kempf, motored to Boerne Friday for the afternoon with their cousins, Mr. and Mrs. S. R. Odom.

Mrs. Winnie Tilley and her sister, Miss Arila Crawford, returned home Thursday evening after having vacationed since March 7th in Indio, California dividing time with Mrs. Tilley's daughter, Mrs. Arlene Garrett and Roxanne and her son-in-law, Leon Fouts and Leon Jr.

Mr. and Mrs. Edward G. Wheeler and Mary Lynn of Cleveland, Texas arrived Friday and visited until Sunday afternoon with Mrs. Wheeler's mother, Mrs. R. W. Crawford.

Mr. and Mrs. Julian Alvarado Jr. had as their weekend guests, her sisters, brother-in-law, niece and nephews, Mr. and Mrs. Jesse Robago, Jesse Jr. and Mrs. Ada Sandval, Sandra and Johnny from San Antonio.

Mr. and Mrs. J. R. Marsh had as their overnight guests on Friday her cousins, Mr. and Mrs. Larry Brown from Alice and the foursome enjoyed dinner Friday evening with Mr. and Mrs. Marsh's son and daughter-in-law, Mr. and Mrs. Virgil Marsh.

Mr. and Mrs. Douglas Caldwell went to San Antonio Sunday for the day with her brother, Mr. Brigham Barker, and Mr. Emil Kupca, and they attended church service at St. John's Methodist Church.

EARLY-DAY FASHIONS . . . showed up in the window of the Hondo Style Shop to commemorate the Museum Days Celebration coming up Saturday and Sunday.

"Opal" loved in Hacienda stage play

John Patrick's play, "Everybody Loves Opal", opened last week at the Hacienda Dinner Playhouse. A cricital reception of this Broadway production starring Annabelle Weenick, is loads of laughs and a cheerful philosophy.

Opal Kronkie, Annabelle, a middle-age recluse, lives in a tumble down mansion at the edge of the municipal dump. Opal collects anything that can be toted home in her little red wagon. Bursting into her strange world comes Gloria, Brad and Solomon, three purveyors of bogus perfume on the lam from the authorities. Opal's menage' is the perfect hideout and so unfolds the goofy extravagant and enjoyable comedy of Opal and her - "friends?".

Sharing the spotlight with Annabelle in this "prank in three acts", is Gene Ross, Camilla Carr, Ted Shackeford, Hank Roberts and Richard Reyes.

Beef industry will see better days

The beef industry will soon see better days due to the enthusiastic efforts of the Texas Cowbelles, a group of dedicated women determined to improve the national food supply.

Last Monday and Tuesday San Antonio's Menger Hotel was the center of much action concerning our beef industry during the second annual mid-year State Convention of Cowbelles. John C. White, Texas Agriculture Commissioner was among the many who recognized the dedication and enthusiasm of farm and ranch women at luncheon Tuesday. White stated that the Cowbelles have breathed new life into a venerable industry that needed it. He said that Cowbelles have contributed more to the understanding of consumers than he could in 1,000 speeches.

He explained that many of the food products are bought by women and that women buyers will tend to believe another woman in the Cowbelles who is acquainted with the problems of the cattlemen.

White said, "The consumers must understand that to have quality beef, there must be a profit for the producer." A framed certificate proclaiming her an honorary Cowbelle was presented to Mrs. White by Mrs. Tom Henry, state president of Cowbelles.

Gary Culp, membership representative of the Texas Cattle Feeders Association, Amarillo, said Monday morning that 1973 and the first quarter of 1974 were eventful and eratic for cattle feeders. The unprecedented, unpredictable, and unjustifiable circumstances that have occurred are having detrimented effects on both feeders and consumers. But there are opportunities for us to build our industry as never before, if we will continue to strenghten our public relations and beef promotion efforts.

Culp explained that cattlemen are accustomed to hazards like drought, floods, ice storms, insects, parasites and normal market fluctuations. But the manmade problems such as meat boycott, a proposed price rollback, a price freeze, an energy crisis, and truckers strike, we are not equipped to handle. Cattlemen did not originate any of these things that had such impact on the business.

In this competitive society, the world is not going to beat a path to our beef door, just because its a delicious, nutritious product offered at a good buy. Mr. Cattleman needs to tell his story!

American National Cowbelles president Mrs. Elmo Hoyt, Kamas, Utah, stated that beef boycotts last year come from people not being informed. She said when members are asked about high beef prices they should reply "to what are you comparing it? -- dozen eggs 97c or cheese $1.50 lb. where she lives. Mrs. Hoyt also said consumers should be reminded of some of the by-products of the cattle industry--insulin (obtained from pancreas, takes 1500 head of cattle for one ounce of insulin), hides, bone (for bone china, needles, dice, hand brushes, glue, fertilizer), rennet (for making cheese), geletin (for making marshmellows, photographic film, printers rollers, cigarette paper), and numerous other medical products and consumer items.

The national president explained to the Texas Cowbelles that their purpose was not only topromote beef, but also to promote other agriculture produce and to provide encouragement and education to farmers and ranchers. She asked the group of approximately 200 convention delegates if they were aware the average age of the farmer-rancher is 59 years old. Where are our young farmers and ranchers? Mrs. Hoyt also warned the members to be more concerned and take action against the federal land use and consumer protection legislation presently being discussed. She said it would give government a foot in the door.

Mrs. Frank Brooks, Texas Agriculture Products Marketing Specialist, was present to specifically explain carcass grading and other marketing procedures.

One of the immediate projects of the Texas Cowbelles is the "Beef for Father's Day" project. Mrs. Joseph Smith, Klamath Falls, Oregon, national chairman for this program, was present in San Antonio to explain the project.

Mrs. Mary Neal Henry explained to the group that the Texas Cowbelles are one of seven state groups selected for an Industrial Information Council program. Press releases for newspapers, radio, and television will be prepared and distributed from an IIC headquarters at Hereford. * * *

The October Convention of the Texas group will be held in Amarillo.

Copper cookware

College Station -- Copper cookware represents a special gift for a very special person, one authority points out.

"Whether for Mother's Day, graduation or a bridal shower, always include a card giving complete use and care instructions," Lynn Bourland, home management specialist with the Texas Agricultural Extension Service, The Texas A&M University System, advised.

She suggested buying utensils "at least 10-12 gauge, about 1/16 inch thick--those you can lift without wrist strain.

"Also choose only balanced utensils to avoid kitchen accidents."

Since certain acids react with copper--resulting in unpleasant odors, tastes and verdigris (green rust)--most interiors are plated or lined with tin, nickel, stainless steel or silver, the specialist continued.

"Silver plating increases a utensil's heat-conducting qualities, although it tarnishes easily, and nickel adds sturdiness."

Miss Bourland noted that most new copper utensils come with a protective lacquer or plastic coating. If copperware will be used over heat--or for food preparation, she advised removing the coating.

"To do so, first fill a large container with water. Add one tablespoon washing soda for each quart of water used--then add one more tablespoon soda.

"Bring liquid to a rolling boil and immerse copper utensil for at least 15 minutes--the coating will peel off easily. Finally, rinse and dry the utensil thoroughly.

"To remove coating from a large item, apply acetone--available at any drugstore."

Turning to proper care and maintenance, the specialist emphasized using only wood, hard rubber or plastic tools in the cookware to maintain its beauty.

"To prolong life of the lining, don't sautee or rapidly brown meat in copper cookware. This can cause the lining to blister.

"Also, don't place an empty pan over heat, and avoid high heat altogether--copper conducts heat very efficiently, so it's not needed.

"In addition, remove foods immediately after cooking--and don't store foods in these utensils, even for quick freezing.

"When linings become hevily scratched or worn, get them replated," she added.

Miss Bourland recommended cleaning cookware interiors with soap or detergent. If scrubbing proves necessary, use only a nylon pad, brush or sponge.

"To restore shine to copper exteriors, rub the entire surface with half a lemon rind dipped in table salt. Leave this on for a few minutes, then wash in hot, sudsy water. Rinse thoroughly and wipe dry immediately.

"If preferred, dip a sponge or soft cloth in a strong solution of salt and vinegar instead of using the lemon."

Cow Belles meet

The Cowbelles are a National organization and are the auxiliary of the American Cattlemen's Association. The state Cowbelles organization are made up of local organizations that function for the needs of their own community. This is done in many ways such as printed materials distributed, teaching aids about beef are presented to Home Economics departments, 4-H projects promoted, bride's kits assembled, demonstrations set up on how to buy beef, cook it, and utilize it. In some cases such as the Clovis, New Mexico Faye Plank lady cattlebuyer -- developed school field trips to the stock yards to see the cattle auction and rub shoulders with cattlemen.

* * *

The Southwest Texas Cowbelles have recently organized to include the area surrounding Uvalde. The South Texas Cowbelles were organized to cover an area south and east of San Antonio. Residents from the Hondo area may choose to join either group. Among those representing our area at the State Cowbelles Meeting in San Antonio were Mr. and Mrs. Frank Weed, Uvalde; Elsie Darnbusch, Uvalde; Mrs. Evelyn Wilson, Yancey; Mrs. Sue Heiligman, Yancey; and Stella Mumme, Hondo.

Ag training attendance is up

College Station -- Educational programs conducted by the Texas Agricultural Extension Service are continuing to gain in popularity, as participants are gaining useful information to assist them with their farms, ranches and other businesses.

"More than 99,000 farmers and ranchers, businessmen and homeowners participated in short courses, clinics and workshops conducted by Extension Service agricultural specialists throughout the state during 1972," points out Dr. E. M. Trew, assistant director for the Extension Service and state agricultural program leader. "This was an increase of more than 11,000 over 1971."

Training sessions totaled 1,182, which were 42 less than in 1971.

What programs attracted the most participants?

"Top interest was shown in training sessions related to fruit and nut (pecan) production and processing, with attendance totaling more than 21,600," points out Trew. "Next in popularity were programs on landscaping and ornamentals. These attracted almost 17,200 participants."

Almost 11,000 producers, ginners and suppliers registered at cotton production programs while some 8,000 people received training in beef cattle production.

Programs in farm management, financial and estate planning, plant disease control and poultry production each attracted more than 4,000 participants.

As far as hours of instruction are concerned, 288 hours were devoted to beef cattle production while sessions on horse production totaled 240 hours. These two program areas involved the most hours of instruction, according to the Extension Service leader.

"We are continuing our efforts to develop and conduct the best possible educational programs based on clientele interests. Requests for programs are initiated through our county Extension agents and their local county program building committees," notes Trew.

If anyone is interested in becoming a part of this enthusiastic group made of a rare breed of women working to educate the public contact Frankie Weed at Uvalde or Stella Mumme at Hondo.

John POERNER a Texan for all Texans

John Poerner was born November 21, 1932, in Hondo, Texas and he states, "As a member of a Texas pioneer family, I have always had the proud feeling of being fortunate to come from the people who are a part of this land!"

John Poerner is an experienced, respected and dedicated representative of the people and is presently serving his third term as a member of the House of Representatives in the Texas Legislature.

John Poerner was elected to the Texas State Legislature in 1969, representing the citizens in a district from Dilley, Texas to the South, to Johnson City on the North, and adjoining the two major metropolitan cities of San Antonio and Austin.

John Poerner's stature as a respected member of the House of Representatives is evidenced in his serving on the Education Committee; Transportation Committee; and, Agriculture and Livestock Committee.

John Poerner's desire and dedication toward working objectively for better education and vocational/technical education is attested to with his appointment by Governor Dolph Briscoe to the Southern Regional Education Board which is comprised of 14 Southeastern states. In addition, House Speaker Price Daniel, Jr. appointed him to the important Legislative Property Tax Committee which dealt both effectively and objectively on public school financing.

During his tenure as a member of the House of Representatives, John Poerner has served on the following House Committees: Highways; Roads; School Districts; Aeronautics; Counties; Parks and Wildlife;State Affairs; Mental Health & Retardation; and, Livestock. In addition, he served as a member of the following Interim Study Committees of the House: Insurance; Vocational-Technical Education; and, was the Chairman of the Senate and House Committee on Vegetable Marketing.

Copper cookware

College Station -- Copper cookware represents a special gift for a very special person, one authority points out.

"Whether for Mother's Day, graduation or a bridal shower, always include a card giving complete use and care instructions," Lynn Bourland, home management specialist with the Texas Agricultural Extension Service, The Texas A&M University System, advised.

She suggested buying utensils "at least 10-12 gauge, about 1/16 inch thick--those you can lift without wrist strain.

"Also choose only balanced utensils to avoid kitchen accidents."

Since certain acids react with copper--resulting in unpleasant odors, tastes and verdigris (green rust)--most interiors are plated or lined with tin, nickel, stainless steel or silver, the specialist continued.

"Silver plating increases a utensil's heat-conducting qualities, although it tarnishes easily, and nickel adds sturdiness."

Miss Bourland noted that most new copper utensils come with a protective lacquer or plastic coating. If copperware will be used over heat--or for food preparation, she advised removing the coating.

"To do so, first fill a large container with water. Add one tablespoon washing soda for each quart of water used--then add one more tablespoon soda.

"Bring liquid to a rolling boil and immerse copper utensil for at least 15 minutes--the coating will peel off easily. Finally, rinse and dry the utensil thoroughly.

"To remove coating from a large item, apply acetone--available at any drugstore."

Turning to proper care and maintenance, the specialist emphasized using only wood, hard rubber or plastic tools in the cookware to maintain its beauty.

"To prolong life of the lining, don't sautee or rapidly brown meat in copper cookware. This can cause the lining to blister.

"Also, don't place an empty pan over heat, and avoid high heat altogether--copper conducts heat very efficiently, so it's not needed.

"In addition, remove foods immediately after cooking--and don't store foods in these utensils, even for quick freezing.

"When linings become hevily scratched or worn, get them replated," she added.

Miss Bourland recommended cleaning cookware interiors with soap or detergent. If scrubbing proves necessary, use only a nylon pad, brush or sponge.

"To restore shine to copper exteriors, rub the entire surface with half a lemon rind dipped in table salt. Leave this on for a few minutes, then wash in hot, sudsy water. Rinse thoroughly and wipe dry immediately.

"If preferred, dip a sponge or soft cloth in a strong solution of salt and vinegar instead of using the lemon."

Here in Hondo

A birthday party was given by Mrs. T. D. Flatt in her home in honor of Mrs. J. Houston Duncan's birthday on May 1st. Several of her friends helped her celebrate with the traditional birthday cake with mints, nuts and punch. A good time was had by everyone who also wished Mrs. Duncan many more happy birthdays.

Cow Belles meet

The Cowbelles are a National organization and are the auxiliary of the American Cattlemen's Association. The state Cowbelles organization are made up of local organizations that function for the needs of their own community. This is done in many ways such as printed materials distributed, teaching aids about beef are presented to Home Economics departments, 4-H projects promoted, bride's kits assembled, demonstrations set up on how to buy beef, cook it, and utilize it. In some cases such as the Clovis, New Mexico Faye Plank lady cattlebuyer -- developed school field trips to the stock yards to see the cattle auction and rub shoulders with cattlemen.

The Southwest Texas Cowbelles have recently organized to include the area surrounding Uvalde. The South Texas Cowbelles were organized to cover an area south and east of San Antonio. Residents from the Hondo area may choose to join either group. Among those representing our area at the State Cowbelles Meeting in San Antonio were Mr. and Mrs. Frank Weed, Uvalde; Elsie Darnbusch, Uvalde; Mrs. Evelyn Wilson, Yancey; Mrs. Sue Heiligman, Yancey; and Stella Mumme, Hondo.

Ag training attendance is up

College Station -- Educational programs conducted by the Texas Agricultural Extension Service are continuing to gain in popularity, as participants are gaining useful information to assist them with their farms, ranches and other businesses.

"More than 99,000 farmers and ranchers, businessmen and homeowners participated in short courses, clinics and workshops conducted by Extension Service agricultural specialists throughout the state during 1972," points out Dr. E. M. Trew, assistant director for the Extension Service and state agricultural program leader. "This was an increase of more than 11,000 over 1971."

If anyone is interested in becoming a part of this enthusiastic group made of a rare breed of women working to educate the public contact Frankie Weed at Uvalde or Stella Mumme at Hondo.

Training sessions totaled 1,182, which were 42 less than in 1971.

What programs attracted the most participants?

"Top interest was shown in training sessions related to fruit and nut (pecan) production and processing, with attendance totaling more than 21,600," points out Trew. "Next in popularity were programs on landscaping and ornamentals. These attracted almost 17,200 participants."

Almost 11,000 producers, ginners and suppliers registered at cotton production programs while some 8,000 people received training in beef cattle production.

Programs in farm management, financial and estate planning, plant disease control and poultry production each attracted more than 4,000 participants.

As far as hours of instruction are concerned, 288 hours were devoted to beef cattle production while sessions on horse production totaled 240 hours. These two program areas involved the most hours of instruction, according to the Extension Service leader.

"We are continuing our efforts to develop and conduct the best possible educational programs based on clientele interests. Requests for programs are initiated through our county Extension agents and their local county program building committees," notes Trew.

Crop reports from farmers needed

During the last half of May, some 24,000 Texas farmers will receive a crop acreage questionnaire from Charles E. Caudill, Agricultural Statistician in Charge of the Texas Crop and Livestock Reporting Service, Austin, Texas, according to Glenn Bragg, County Extension Agent.

This information will be the basis for determining the planted acreage for the state of Texas and for each county. There are 254 counties in Texas, and reports are needed from many farmers so that each county willbe well represented. Accurate estimates are of great importance to farmers in planning production and marketings and in providing an unbiased picture of Texas agriculture.

Texas covers such a wide area that state totals alone do not provide adequate information on Texas' most basic industry -- agriculture. The Texas Legislature has provided a program of estimates for each county. This is a cooperative effort of USDA's Statistical Reporting Service and the Texas Department of Agriculture.

"I'm a family man, and I care about what kind of America my children will inherit." Van Archer

Some of Van Archer's friends advised him not to run this year because of Watergate. "This is a bad year for Republicans," they warned. "Shrewd politicians will wait for a better time."

"Well, I'm not a 'shrewd politician'," Archer told them. *"I'm a concerned citizen,* a family man. And I care about what kind of America my children will inherit. I want them to know that their father didn't stick his head in the sand when the going was rough."

That's the kind of man he is. Archer has not lost faith in America or in the American people. He still believes that *one hard-working honest man can make a difference.*

Archer doesn't dodge issues. He comes up with straight answers. And he knows what issues count — the ones that are on your mind, the ones that affect all of us every day.

Archer is a *common sense conservative.* He's fed up with the leftward drift of the Congress, with inflation, bloated bureaucracies and government overspending. "Increasingly," Archer says, "the average citizen feels powerless in the face of big government. Those over-educated theorists in Washington always think they know what's best for us. They want to control our lives. It's gone much too far."

"I want to take a little Texas toughness up to Washington — a little grass-roots common sense."

Taylor-Chapman Report

Medina County's rain problems were eased greatly Tuesday and Wednesday mornings by showers which dropped an average of two to three inches of rain over the county.

And while the raindrops continued to drip, the Taylor-Chapman Service was already in the fields and on the roads gathering the good word from area residents.

By Tuesday evening, a reasonably complete account was made of the rainfall. Then, Wednesday morning between 2 and 3 a.m. another thunderstorm hit Hondo and dropped another 1.90 inches. Therefore, a conversion factor is necessary. Doc says it this way:

"My map shows rains that fell Tuesday, April 30--in Hondo, 1 inch. To this add 1.90 that fell early Wednesday, for a two-day total of 2.90 for Hondo. By the same token, add 1.90 to all the other reports for a county-wide result."

So, like the new gas pumps which now measure gasoline prices by "pay twice this amount", we ask that you add in the appropriate Wednesday total to these Tuesday figures. It ought to give some hours of entertainment. But any way you add it up, it still comes up short as far as demand goes.

Rainfall reports included the following:

Ruff Mumme, .90; John Britsch, 1.10; George Muennink, .70; Walt Saathoff, .75; Elmer Bader, .50; Maurice Fohn, 1.10; Jim Lynch, 1 in.; And. Schweers, .80; Horace Britsch, .90; H. Vogel, .60; Chet. Schmidt, .70; H. Howard, .70; Pete Morales, 2 in.; Francis Bohl, .70; Chet. Saathoff, .70; Otis Nester, .80; Pat McGraw, .90; Agnes Oefinger, 1.60; Geo. A. Koch, 1.20; George D. Koch, 1.10; M. Brucks, 1 in.; Rancho Chico, .70; Hondo, 1 in.; Jagge Rn., 1.40; F. Saathoff, 1 in.; Tom Hollmig, 1 in.; H. Winkler, 1 in.; Finger Bros., .80; Al Hollmig, .80; R. Chapman, 1.20; John Farley, 1.15; And. Muennink, .90; Ed Saathoff, .80; Ralph Graff, 1 in.; Frank Graff, 1 in.; Wallace Haby, .70; J. G. Schuehle, .80; Hugh Boazman, .50; Herman Mechler, .40; Mike Smith, 1.30; Walter Conring, .75; Bill Mechler, 1.70 (Sabinal); Pat Wernette, 1.25; Elmer Leinweber, .60; Frank Rothe, .60; Gus Rothe, 1 in.; Bonnard Rothe, .70; H. Decker Rn., 1 in.

"Early morning moon change on April 29 was what triggered all this," said Doc Taylor.

"It happened at 1.40 a.m. That rain was predicted weeks ago by the Taylor-Chapman Service!"

Guess you never get too old to say, "I told you so," do you Doc?

SS Question and Answers

Question: I'm a waitress for a restaurant and catering business. When a group rents our banquet room, they pay a service charge which is divided among all the waitresses and kitchen help. Do I report these earnings as tips?

Answer: No. Your share of this service charge is not a tip; it's considered wages paid by your employer.

Question: My son provided my support until his recent death. He received black lung benefits and I was wondering if I could get benefits as his dependent mother. His widow said I should contact you.

Answer: A parent can be eligible only if no widow or children survived the son at his death. Since his widow survives, no benefits can be paid to you.

Question: When I got my first part-time job a couple of years ago, I used my sister's Social Security number but recently I got my own. Is it possible for me to get this work credit changed from my sister's record to mine?

Answer: Yes, you can and should correct this report of your part-time earnings as soon as possible so you'll get Social Security credit for this work. Contact your nearest Social Security office and give them the details, including your Social Security number and your sister's number. They will be able to correct both of your records.

DOA claims rural development

The Department of Agriculture is chalking up, what it believes to be, a good record in meeting new rural development obligations handed it byy the Congress, Newspaper Farm Editors were told at their Washington meeting.

Will Erwin, Assistant Secretary of Agriculture, put it this way: "Take housing. With roughly $7.0 billion outstanding in over 600,000 rural housing loans and with write-offs losses of less than one-tenth of one per cent, USDA's Farmers Home Administration has contributed substantially to better rural housing.

"FmHA has built an equally enviable record in sewer, water, and other community facility loans. And it hopes to do the same kind of a job with Business and Industry Developmental loans first funded by Congress last October."

USDA, continues to carry out its original duties mandated by legislation in 1862, but was assigned a second major mission as a part of the Rural Development Act of 1972--responsibility for assisting small towns and the nonfarm countryside in their developmental efforts.

"USDA is currently responsible for community improvement programs as well as farmer related programs," the official continued. "When President Lincoln signed the bill creating the Department of Agriculture, he described it as a 'people's' Department. And the basic concern of rural development is people."

Rural housing loans, Mr. Erwin pointed out, have increased from $507 million in 1969 to $1,858 million during the current fiscal year. Sewer, water, and other community facility loans are budgeted at $520 million for the upcoming year against $198 million in 1969.

Congress, he said, set a FY 1974 celing of $200 million on the new business and industry guaranteed loans, "but we have requested twice that amount in the budget for FY 1975." Private, local lenders make these loans with FmHA guaranteeing repayment of them up to 90 per cent of losses.

"Organizationally," Mr. Erwin said, "we are in good shape with a USDA Rural Development Committee functioning in every state and in most local areas either at the county or regional level. The Extension Service has over 600 rural development specialists helping rural people meet their developmental challenges."

The breakdown of Fm HA loans outstanding on January 10, 1974, shows the status of present assistance efforts:

Farm Loans -- 300,955; $3,444,401,000.

Rural housing loans -- 611,451; $6,899,687,000.

Community facility loans -- 9,783; $1,354,084,000.

"But the surface of need is only scratched," Mr. Erwin said. "Our goal is to help local communities help themselves using the private sector where possible. Rural America still has over one-half of the nation's substandard housing. Many communities are still withering. And thousands of communities have sewer, water and other community facility problems to solve before they can develop otherwise. There are many other needs to be met. But the machinery for helping rural people meet these needs is operating effectively. We can feel good about the future of Rural Development."

Let's look at some of the facts.

Pari-mutuel Horse Racing is the most popular sport in the country. Last year Pari-mutuel Horse Racing attracted more than 70 million Americans . . . more than professional baseball and football combined.

Pari-mutuel Horse Racing will add needed revenues to our state treasury at no cost to you the taxpayer. And faced with the possibility of a Personal State Income Tax we think every tax dollar counts . . . dollars that will be used to improve our schools, parks, hospitals and highways.

Pari-mutuel Horse Racing is a highly regulated professional sport. Pari-mutuel was the first sport to effectively police itself, a move that was soon followed by the NBA, NFL and other professional sports. The late J. Edgar Hoover, former director of the FBI supported Pari-mutuel Horse Racing as a clean sport the entire family can enjoy.

Pari-mutuel Horse Racing will keep our money where it belongs: in Texas. Last year thousands of Texans left our state to go to the races. Unfortunately, so did their money. Which doesn't do our economy a bit of good.

Pari-mutuel Horse Racing will create a billion dollar industry in Texas. One that will bring new money into our economy. Create jobs. Produce income for Texans and Texas. And relieve the tax burden from every Texan.

Pari-mutuel Horse Racing, 1974 is bigger than any segment of our population or any special interest group. Because this time it involves the "freedom of choice" and the right for each community to decide for itself whether or not it wants state-regulated Pari-mutuel Horse Racing on the local level.

Finally, we're going to run an open, honest campaign based on facts, not fiction. We're going to look to the future, not the past. And, we're going to take our campaign to the people, because if we do we'll win on May 4th.

"Increasingly," Archer says, "the average citizen feels powerless in the face of big government. Those over-educated theorists in Washington always think they know what's best for us. They want to control our lives. It's gone much too far."

"I want to take a little Texas toughness up to Washington — a little grass-roots common sense."

Taylor-Chapman Report

Medina County's rain problems were eased greatly Tuesday and Wednesday mornings by showers which dropped an average of two to three inches of rain over the county.

And while the raindrops continued to drip, the Taylor-Chapman Service was already in the fields and on the roads gathering the good word from area residents.

By Tuesday evening, a reasonably complete account was made of the rainfall. Then, Wednesday morning between 2 and 3 a.m. another thunderstorm hit Hondo and dropped another 1.90 inches. Therefore, a conversion factor is necessary. Doc says it this way:

"My map shows rains that fell Tuesday, April 30--in Hondo, 1 inch. To this add 1.90 that fell early Wednesday, for a two-day total of 2.90 for Hondo. By the same token, add 1.90 to all the other reports for a county-wide result."

So, like the new gas pumps which now measure gasoline prices by "pay twice this amount", we ask that you add in the appropriate Wednesday total to these Tuesday figures. It ought to give some hours of entertainment. But any way you add it up, it still comes up short as far as demand goes.

Rainfall reports included the following:

Ruff Mumme, .90; John Britsch, 1.10; George Muennink, .70; Walt Saathoff, .75; Elmer Bader, .50; Maurice Fohn, 1.10; Jim Lynch, 1 in.; And. Schweers, .80; Horace Britsch, .90; H. Vogel, .60; Chet. Schmidt, .70; H. Howard, .70; Pete Morales, 2 in.; Francis Bohl, .70; Chet. Saathoff, .70; Otis Nester, .80; Pat McGraw, .90; Agnes Oefinger, 1.60; Geo. A. Koch, 1.20; George D. Koch, 1.10; M. Brucks, 1 in.; Rancho Chico, .70; Hondo, 1 in.; Jagge Rn., 1.40; F. Saathoff, 1 in.; Tom Hollmig, 1 in.; H. Winkler, 1 in.; Finger Bros., .80; Al Hollmig, .80; R. Chapman, 1.20; John Farley, 1.15; And. Muennink, .90; Ed Saathoff, .80; Ralph Graff, 1 in.; Frank Graff, 1 in.; Wallace Haby, .70; J. G. Schuehle, .80; Hugh Boazman, .50; Herman Mechler, .40; Mike Smith, 1.30; Walter Conring, .75; Bill Mechler, 1.70 (Sabinal); Pat Wernette, 1.25; Elmer Leinweber, .60; Frank Rothe, .60; Gus Rothe, 1 in.; Bonnard Rothe, .70; H. Decker Rn., 1 in.

"Early morning moon change on April 29 was what triggered all this," said Doc Taylor.

"It happened at 1.40 a.m. That rain was predicted weeks ago by the Taylor-Chapman Service!"

Guess you never get too old to say, "I told you so," do you Doc?

SS Question and Answers

Question: I'm a waitress for a restaurant and catering business. When a group rents our banquet room, they pay a service charge which is divided among all the waitresses and kitchen help. Do I report these earnings as tips?

Answer: No. Your share of this service charge is not a tip; it's considered wages paid by your employer.

Question: My son provided my support until his recent death. He received black lung benefits and I was wondering if I could get benefits as his dependent mother. His widow said I should contact you.

Answer: A parent can be eligible only if no widow or children survived the son at his death. Since his widow survives, no benefits can be paid to you.

Question: When I got my first part-time job a couple of years ago, I used my sister's Social Security number but recently I got my own. Is it possible for me to get this work credit changed from my sister's record to mine?

Answer: Yes, you can and should correct this report of your part-time earnings as soon as possible so you'll get Social Security credit for this work. Contact your nearest Social Security office and give them the details, including your Social Security number and your sister's number. They will be able to correct both of your records.

DOA claims rural development

The Department of Agriculture is chalking up, what it believes to be, a good record in meeting new rural development obligations handed it byy the Congress, Newspaper Farm Editors were told at their Washington meeting.

Will Erwin, Assistant Secretary of Agriculture, put it this way: "Take housing. With roughly $7.0 billion outstanding in over 600,000 rural housing loans and with write-offs losses of less than one-tenth of one per cent, USDA's Farmers Home Administration has contributed substantially to better rural housing.

"FmHA has built an equally enviable record in sewer, water, and other community facility loans. And it hopes to do the same kind of a job with Business and Industry Developmental loans first funded by Congress last October."

USDA, continues to carry out its original duties mandated by legislation in 1862, but was assigned a second major mission as a part of the Rural Development Act of 1972--responsibility for assisting small towns and the nonfarm countryside in their developmental efforts.

"USDA is currently responsible for community improvement programs as well as farmer related programs," the official continued. "When President Lincoln signed the bill creating the Department of Agriculture, he described it as a 'people's' Department. And the basic concern of rural development is people."

Rural housing loans, Mr. Erwin pointed out, have increased from $507 million in 1969 to $1,858 million during the current fiscal year. Sewer, water, and other community facility loans are budgeted at $520 million for the upcoming year against $198 million in 1969.

Congress, he said, set a FY 1974 celing of $200 million on the new business and industry guaranteed loans, "but we have requested twice that amount in the budget for FY 1975." Private, local lenders make these loans with FmHA guaranteeing repayment of them up to 90 per cent of losses.

"Organizationally," Mr. Erwin said, "we are in good shape with a USDA Rural Development Committee functioning in every state and in most local areas either at the county or regional level. The Extension Service has over 600 rural development specialists helping rural people meet their developmental challenges."

The breakdown of Fm HA loans outstanding on January 10, 1974, shows the status of present assistance efforts:

Farm Loans -- 300,955; $3,444,401,000.

Rural housing loans -- 611,451; $6,899,687,000.

Community facility loans -- 9,783; $1,354,084,000.

"But the surface of need is only scratched," Mr. Erwin said. "Our goal is to help local communities help themselves using the private sector where possible. Rural America still has over one-half of the nation's substandard housing. Many communities are still withering. And thousands of communities have sewer, water and other community facility problems to solve before they can develop otherwise. There are many other needs to be met. But the machinery for helping rural people meet these needs is operating effectively. We can feel good about the future of Rural Development."

Let's look at some of the facts.

Pari-mutuel Horse Racing is the most popular sport in the country. Last year Pari-mutuel Horse Racing attracted more than 70 million Americans . . . more than professional baseball and football combined.

Pari-mutuel Horse Racing will add needed revenues to our state treasury at no cost to you the taxpayer. And faced with the possibility of a Personal State Income Tax we think every tax dollar counts . . . dollars that will be used to improve our schools, parks, hospitals and highways.

Pari-mutuel Horse Racing is a highly regulated professional sport. Pari-mutuel was the first sport to effectively police itself, a move that was soon followed by the NBA, NFL and other professional sports. The late J. Edgar Hoover, former director of the FBI supported Pari-mutuel Horse Racing as a clean sport the entire family can enjoy.

Pari-mutuel Horse Racing will keep our money where it belongs: in Texas. Last year thousands of Texans left our state to go to the races. Unfortunately, so did their money. Which doesn't do our economy a bit of good.

Pari-mutuel Horse Racing will create a billion dollar industry in Texas. One that will bring new money into our economy. Create jobs. Produce income for Texans and Texas. And relieve the tax burden from every Texan.

Pari-mutuel Horse Racing, 1974 is bigger than any segment of our population or any special interest group. Because this time it involves the "freedom of choice" and the right for each community to decide for itself whether or not it wants state-regulated Pari-mutuel Horse Racing on the local level.

Finally, we're going to run an open, honest campaign based on facts, not fiction. We're going to look to the future, not the past. And, we're going to take our campaign to the people, because if we do we'll win on May 4th.

Ball game rained out

Bad weather got the best of the Hondo baseball team last Tuesday night as they prepared to do battle with Pearsall here at Hondo High School field.

Showers during the day had threatened the contest, but the real capper came as another rain hit right at sundown.

The game is tentatively scheduled to be replayed Monday night at Hondo, with starting time at 7:30.

That game is crucial to the Hondo chase for the District Crown. Hondo now stands 13-8 for the year, 5-2 in district play while Medina Valley leads everyone at 7-0.

The Panthers ran into rain problems of their own Tuesday evening at Cotulla. Their game was tied 1-1 in the eighth inning when it was called on account of rain. That game will not be made up unless its outcome has a bearing on the District title.

Meanwhile the Owls will have a chance to make some headway against Medina Valley. They will play a 4:30 p.m. game with the Panthers Friday afternoon at Medina Valley ballfield.

CARRIZO SPRINGS

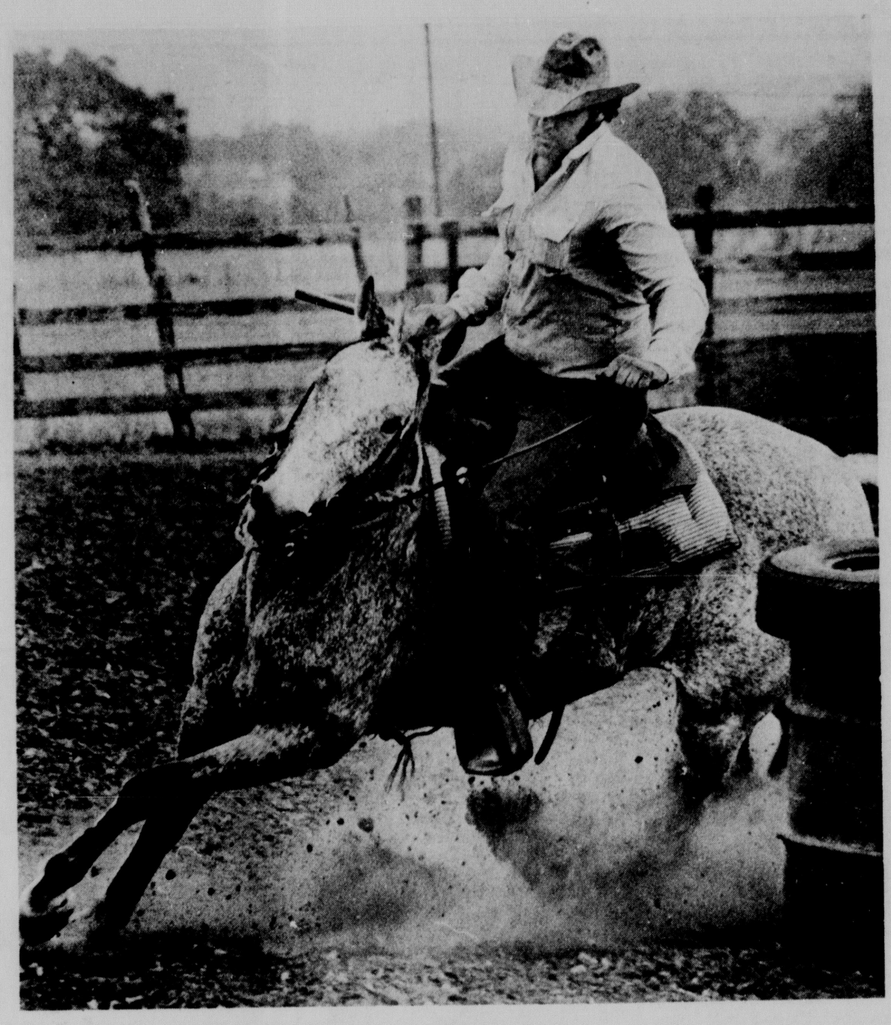
Hondo downed Carrizo Springs last Friday by a 4-1 score.

That game was tied 1-1 until the sixth inning, when Hondo scored a run to take the lead.

Two more runs in the seventh appeared to put it out of reach.

But in the bottom of the seventh the Wildcats loaded the bases on Hondo starter Gordon Bohmfalk, and reliever Raul Dominguez had to come in to retire the final two batters and preserve the win.

Gordie received credit for the win. He was also a leading hitter for the Owls, gathering two hits, along with Simon Arcos and Alex Mendoza.



Oldsters and youngsters from all over Medina County are invited to participate in the 2nd annual charity horse show and rodeo scheduled May 11 in the Somerset FFA roping arena. The show will benefit The Children's Hospital of Santa Rosa Medical Center. Above, Rooster Foulds of Somerset churns up the dust as he rounds a barrel preparing for the show. The first of 15 events will get underway at 4 p.m. There will be breakaway roping and tiedown, barrel racing, egg racing, rescue racing, flag racing, pole bending and other exciting events.

Cardinals win Hiway 90 opener

The D'Hanis Cardinals took the opening Highway 90 League game of 1974 from the Hondo Eagles, 7-2 Sunday at D'Hanis.

The Cards jumped to an early lead as leadoff man Johnny Zinsmeyer doubled in the first inning, and Greg Rothe was safe on an error. Walt Rothe also doubled, then Chris Finger singled and the Cards were ahead 3-0.

D'Hanis added two runs in the fourth as Finger and John Bendele both singled, then Ray Bendele sacrificed to advance the runners. Two runs scored on an error when Zinsmeyer grounded to second.

Hondo scored its two runs in the fifth as pitcher Mario Garcia doubled, thenRodriguez and Carpenter singled.

D'Hanis pitcher Walt Rothe went all nine innings, striking out nine Eagles while walking two. Losing pitcher Garcia got five strikeouts and walked two.

Hondo hitters accounted for five hits in the game, while D'Hanis had nine.

Leading hitters for the Cardinals were Zinsmeyer, Walt Rothe and Finger with two each. Rusty Attaway, Charlie Rothe and John Bendele each accounted for a hit.

The Eagles were paced by Rodriguez with two hits. Other hitters included Dominguez, Garcia and Carenter with one hit apiece.

Sunday the Cardinals will play in Charlotte at 3 p.m. Charlotte lost to Pearsall by 4-3 in Sunday's game.

Medina Valley took a first-round victory over Castroville Sunday by an easy 12-2 margin.

Hondo will host Medina Valley at Pruneda Park at 3 p.m. Sunday.

Castroville will host Pearsall at the same time Sunday.

A SIDE-SADDLE . . . is the rate item shown here by Connie Koch. The saddle, once used by Connie's mother, Mrs. Joe Koch of D'Hanis, has been placed on exhibit at the Medina County Museum jointly by Connie and the Hilmar Koch family of D'Hanis. [Photo by Tony Mendoza]

Countians win in shooting contest

Medina County natives won a clean sweep of the Hondo National Bank - First State Bank of Bishop Inter-Bank Team Rifle Matches.

The Bishop Bank as visitors brought Customer Service Officer Joe Carreles, whose parents live at Tarpley, as the mainstay of their team.

Joe, a Vietnam veteran, shot the top score at slow fire.

Thereafter it was the Hondo Bank's Deerhunters all the way, with Sam Moss dominating the competition. Sam won the rapid fire event and the Chase and Fire event and also shot the top score of the tournament.

He won the Chairman's Cup, now on display at the Hondo National Bank lobby.

The Hondo Team also won the Wandob Trophy for best team score, and though not delivered, a drawing of this trophy is also on display in the Bank lobby.

The shooting match will be an annual event between the banks.

THEY CLEANED UP THE TOWN . . . This active bunch of young people spent Saturday morning tidying up Hondo in preparation for Museum Day. They are [in no special order] Tammy Oefinger, Mary Alice Mendoza, Yvonne Dittmar, Jerry Stanga, Sammy Shaw, Gary Stanga, Ann Mayes, Barry Shaw, Sheri Shaw, Jessie Seals, Doug Cole, Chris Cole, Mrs. B. W. Shaw, Wade Seals, Patty Seals, Valerie Cole, Lori Ward, Mary Sprott, Leslie Shaw, Tina Pope, Ruth Rendon, Debbie Saathoff, Dianna Lindeburg, Norma Carabajal, Inez Ontiveros, Sherry Marty, Deena Kay Schur, Lisa Schoellman and Gina Haass.

Error noted

Last week's story on the Guys & Dolls Tourney neglected to name the second place winning teams.

Tied for second with scores of 57 each were the team of Charley Chapa, Pat Gray, Leroy Langford and Cappi Heyen; and the team of Mickey Manning, Tom Heickman, Sue Ann Graff and George Schmidt.

We're sorry for the delay. Congratulations, anyway.

IT'S GOOD FOR YOU

Ball game rained out

Bad weather got the best of the Hondo baseball team last Tuesday night as they prepared to do battle with Pearsall here at Hondo High School field.

Showers during the day had threatened the contest, but the real capper came as another rain hit right at sundown.

The game is tentatively scheduled to be replayed Monday night at Hondo, with starting time at 7:30.

That game is crucial to the Hondo chase for the District Crown. Hondo now stands 13-8 for the year, 5-2 in district play while Medina Valley leads everyone at 7-0.

The Panthers ran into rain problems of their own Tuesday evening at Cotulla. Their game was tied 1-1 in the eighth inning when it was called on account of rain. That game will not be made up unless its outcome has a bearing on the District title.

Meanwhile the Owls will have a chance to make some headway against Medina Valley. They will play a 4:30 p.m. game with the Panthers Friday afternoon at Medina Valley ballfield.

CARRIZO SPRINGS

Hondo downed Carrizo Springs last Friday by a 4-1 score.

That game was tied 1-1 until the sixth inning, when Hondo scored a run to take the lead.

Two more runs in the seventh appeared to put it out of reach.

But in the bottom of the seventh the Wildcats loaded the bases on Hondo starter Gordon Bohmfalk, and reliever Raul Dominguez had to come in to retire the final two batters and preserve the win.

Gordie received credit for the win. He was also a leading hitter for the Owls, gathering two hits, along with Simon Arcos and Alex Mendoza.

Oldsters and youngsters from all over Medina County are invited to participate in the 2nd annual charity horse show and rodeo scheduled May 11 in the Somerset FFA roping arena. The show will benefit The Children's Hospital of Santa Rosa Medical Center. Above, Rooster Foulds of Somerset churns up the dust as he rounds a barrel preparing for the show. The first of 15 events will get underway at 4 p.m. There will be breakaway roping and tiedown, barrel racing, egg racing, rescue racing, flag racing, pole bending and other exciting events.

Cardinals win Hiway 90 opener

The D'Hanis Cardinals took the opening Highway 90 League game of 1974 from the Hondo Eagles, 7-2 Sunday at D'Hanis.

The Cards jumped to an early lead as leadoff man Johnny Zinsmeyer doubled in the first inning, and Greg Rothe was safe on an error. Walt Rothe also doubled, then Chris Finger singled and the Cards were ahead 3-0.

D'Hanis added two runs in the fourth as Finger and John Bendele both singled, then Ray Bendele sacrificed to advance the runners. Two runs scored on an error when Zinsmeyer grounded to second.

Hondo scored its two runs in the fifth as pitcher Mario Garcia doubled, thenRodriguez and Carpenter singled.

D'Hanis pitcher Walt Rothe went all nine innings, striking out nine Eagles while walking two. Losing pitcher Garcia got five strikeouts and walked two.

Hondo hitters accounted for five hits in the game, while D'Hanis had nine.

Leading hitters for the Cardinals were Zinsmeyer, Walt Rothe and Finger with two each. Rusty Attaway, Charlie Rothe and John Bendele each accounted for a hit.

The Eagles were paced by Rodriguez with two hits. Other hitters included Dominguez, Garcia and Carenter with one hit apiece.

Sunday the Cardinals will play in Charlotte at 3 p.m. Charlotte lost to Pearsall by 4-3 in Sunday's game.

Medina Valley took a first-round victory over Castroville Sunday by an easy 12-2 margin.

Hondo will host Medina Valley at Pruneda Park at 3 p.m. Sunday.

Castroville will host Pearsall at the same time Sunday.

Countians win in shooting contest

Medina County natives won a clean sweep of the Hondo National Bank - First State Bank of Bishop Inter-Bank Team Rifle Matches.

The Bishop Bank as visitors brought Customer Service Officer Joe Carreles, whose parents live at Tarpley, as the mainstay of their team.

Joe, a Vietnam veteran, shot the top score at slow fire.

Thereafter it was the Hondo Bank's Deerhunters all the way, with Sam Moss dominating the competition. Sam won the rapid fire event and the Chase and Fire event and also shot the top score of the tournament.

He won the Chairman's Cup, now on display at the Hondo National Bank lobby.

The Hondo Team also won the Wandob Trophy for best team score, and though not delivered, a drawing of this trophy is also on display in the Bank lobby.

The shooting match will be an annual event between the banks.

THEY CLEANED UP THE TOWN . . . This active bunch of young people spent Saturday morning tidying up Hondo in preparation for Museum Day. They are [in no special order] Tammy Oefinger, Mary Alice Mendoza, Yvonne Dittmar, Jerry Stanga, Sammy Shaw, Gary Stanga, Ann Mayes, Barry Shaw, Sheri Shaw, Jessie Seals, Doug Cole, Chris Cole, Mrs. B. W. Shaw, Wade Seals, Patty Seals, Valerie Cole, Lori Ward, Mary Sprott, Leslie Shaw, Tina Pope, Ruth Rendon, Debbie Saathoff, Dianna Lindeburg, Norma Carabajal, Inez Ontiveros, Sherry Marty, Deena Kay Schur, Lisa Schoellman and Gina Haass.

Error noted

Last week's story on the Guys & Dolls Tourney neglected to name the second place winning teams.

Tied for second with scores of 57 each were the team of Charley Chapa, Pat Gray, Leroy Langford and Cappi Heyen; and the team of Mickey Manning, Tom Heickman, Sue Ann Graff and George Schmidt.

We're sorry for the delay. Congratulations, anyway.
